

## WESTPORT COMMUNITY SCHOOLS BACK-TO-SCHOOL REENTRY PLAN

# Learning Platform Orientation for Families

September 2020

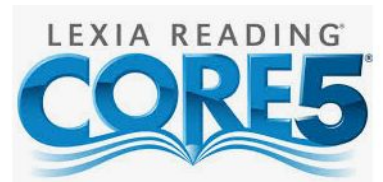

Good Afternoon, Westport Learning Community:

In anticipation of the first day of the 2020-2021 school year, a learning platform orientation will be held on September 15, from 6:00 - 7:15. An overview of several important features will be provided in order to ensure that parents and families feel comfortable supporting students as they access Google Classroom. In addition, for parents and families of students in grades K-6, a brief overview of Clever, Lexia and ST Math will also be provided. An access link for the session will be forthcoming.

We look forward to strengthening our partnership as we plan for a safe and productive school year, and we hope you will take advantage of this opportunity. Should you have any questions, please feel free to contact me directly.

Sincerely,

Darren C. Elwell  
Director of Curriculum
