

NEWSLETTER

Message from Mr O'Regan

I hope you have had a restful summer and I am delighted to have welcomed our pupils back to excellent learning and friendship. They have settled well, been focussed in their lessons and left smiling.

This newsletter includes PE days for each class so you know when to send your child in their PE kit as well as a timetable of parent events, including opportunities to meet your child's teacher this month. We are also happy to announce a sports club after school daily (Pass and Move).

Following feedback, I am reviewing the booking procedures for breakfast club and afterschool club– I shall update you in next week's newsletter which will include a more efficient system, changes to timings and organisation which will be implemented later this month.

Finally, I am proud to welcome our new staff: Sophie Richardson and Joanna Owst (teachers), as well as Megan Green, Sarah Nenno– Smith and Natasha Farley (teaching assistants).

Down the Bright Stream | Author: BB

Dodder, Baldmoney, Cloudberry, and Sneezewort are the last four gnomes in Britain and were first introduced to us in the Carnegie Medal-winning book, *The Little Grey Men*. In this charming book their story continues and we find them tucked up in their cosy home, next to the Folly, for winter. But when they're awakened from their sleep with the terrible news that the Folly is drying up, they must pack up their belongings and head off in their boat, the *Jeanie Deans*, to find a new home where they can be safe once again. Along the way they face many dangers and their journey is sometimes perilous and packed with adventure.

Battleships: Level 2 PE Home Learning

Time to Learn:

- With a partner, each player places three targets (battleships) in front of them. Place an additional battleship known as the 'ultimate battleship' in the middle.
- Players take turns to throw an object towards their opponent's battleships.
- Each time a battleship is hit, it is removed. If players hit the ultimate battleship they can add back one of their battleships that has been hit.
- The winner is the first player to hit all of their partner's battleships.

Can you play by the rules and respect your opponent?

Play on your own!
How many attempts does it take you to hit all three targets?

Play for three minutes!
The player with the most battleships at the end of the game is the winner.

Have a competition!
Create a league table and play against different family members.

Top Tips

Throwing Underarm

- Step forwards with one foot, releasing the ball from low to high using your opposite hand.

Let's Reflect

What did you learn after each throw to adapt for the next?

How did you keep focused?
