

HOME COVID-19 Symptom Screening Tool For Parents and DLPS Employees

PARENTS: Review these questions **each time** you send your child to school or participate in school activities. STAFF: Review daily before entering buildings.

Anyone showing symptoms of COVID-19 or has symptoms and is being tested for COVID-19 should not attend school or work at a school. These steps help to keep our children in schools and participating in activities as well as keeping our staff safe.

Symptoms

1. Any **one** or more of these symptoms?

- Fever greater than 100.4°F
- Difficulty breathing
- New onset and/or worsening cough
- New loss of taste or smell

2. Any **two** or more of these symptoms?

- | | |
|--|--|
| <input type="checkbox"/> Sore throat | <input type="checkbox"/> Nausea |
| <input type="checkbox"/> Vomiting | <input type="checkbox"/> Diarrhea |
| <input type="checkbox"/> Chills | <input type="checkbox"/> Muscle pain |
| <input type="checkbox"/> New onset of severe headache | <input type="checkbox"/> Excessive tiredness |
| <input type="checkbox"/> New onset of nasal congestion or runny nose | |

If displaying these symptoms, do not come to school – even if fully vaccinated. Parents or caregivers should notify their child’s school and call their health care provider. Staff (including substitute staff) should also notify the school of their status.
