## Frequently Asked Questions (FAQs)

### **If I have current coverage and do not wish to make any changes, do I need to re-enroll or do anything else?**

If you already have Davis Vision coverage and you DO NOT wish to make any changes, NO ACTION is needed on your part. Your coverage will renew as is.

### **If I have current coverage and want to cancel or make changes, what do I need to do and when would these changes take effect?**

If you would like to enroll in the new plan, which will allow you to get two services in the same year, or if you would like to cancel your coverage, you MUST enroll using the designated portal, the call center, or complete an enrollment session with a designated enroller. All changes are effective for the period of January 1 through December 31, 2022.

### **How can I find out what coverage I have now?**

You can access your current vision benefits by logging on to [www.DavisVision.com/members](http://www.DavisVision.com/members), and entering Client Code 2194 for the Low Plan and Client Code 2016 for the High Plan. You may also contact our Member Service Center 7 days a week by calling 1-800-999-5431 for automated service 24 hours a day, 7 days a week. Live representatives are available seven days a week: Monday-Friday, 7 a.m. - 10 p.m.; Saturday, 8 a.m. - 3 p.m.; and Sunday, 11 a.m. - 3 p.m. (Central Time). TTY services are available by calling 1.800.523.2847.

### **What are the changes taking place to the 2021 vision plan for 2022 and how are the plans different?**

For the 2022 plan year, BISD will be offering **2 plans** to choose from to meet your vision care needs:

- **The High Plan** allows you to purchase both glasses AND contact lenses in the same year, and you can purchase every year.
- **The Low Plan** keeps the benefits exactly the same as the prior year with no changes.
- BOTH Plans will provide you with an additional benefit for Retinal Imaging for just a \$39 copayment.
- BOTH Plans will now allow your benefits to refresh on January 1. You no longer have to wait until the exact date to obtain services from year to year.

### **What is the new RETINAL IMAGING benefit?**

Retinal imaging is a digital image taken of the retina, blood vessels, and optic nerve located at the back of your eyes. These images can assist in the early detection and management of certain eye diseases, including glaucoma, macular degeneration, diabetes, and hypertension. We have negotiated a set price of \$39 for this service with in-network participating providers.

### **What is the difference between using the FRAME ALLOWANCE or purchasing a DAVIS VISION COLLECTION FRAME?**

The Exclusive Collection is a compact, rotating fixture of 222 fashion-forward, trendy frames available to Davis Vision members for little or no out-of-pocket expense. Consisting of three levels of frames – Designer, Fashion, and Premier – the Exclusive Collection offers different price points of frames for you to select. The Exclusive Collection provides members an expanded selection of frames that are valued up to \$195. In addition to providing you with a low out-of-pocket cost option, all frames within the Exclusive Collection come with a free one-year breakage warranty.

Or if you prefer, you can use your \$200 frame allowance toward any frame from your provider's inventory and at retail locations. Your plan gives you control with flexibility and choice.

### What is the difference between using the CONTACT LENS ALLOWANCE and the DAVIS VISION COLLECTION CONTACTS?

In the same way that you have a choice of selecting a frame from our Exclusive Collection, you can also purchase your contacts through the Davis Vision Collection of contact lenses. Providers that carry our Exclusive Collection of frames can order your contact lenses directly from Davis Vision. When contacts are supplied through our Collection, you pay only your \$20 copayment, and you will receive up to 4 boxes of contact lenses that are fully covered. Or, if you prefer to use your allowance of \$130, you can select any contact lenses from the providers' supply, including retail locations.

### How does the ACCIDENTAL BREAKAGE WARRANTY and SCRATCH PROTECTION PLAN work?

All Davis Vision Exclusive Collection frames and spectacle lenses made in our laboratories are warranted against breakage for one (1) year from the original date of dispensing. The warranty is limited to one replacement during the one (1) year coverage period. The warranty is limited to one replacement during the coverage period.

**Note:** If a member changes frames within the 30-day material change period, this counts as a replacement, and the new frames will not be covered by the breakage warranty. The prescription and frames (when available) must match the original order.

All lenses except CR39 (plastic standard lens) include scratch coating. We will replace all lenses except CR39 within (1) year from the original dispense date if they become scratched under normal usage (i.e. if the scratch coating is defective, not scratches from wear and tear). This warranty covers only 1 replacement for scratched lenses.

Members can purchase an optional Scratch Protection Plan at the time of their purchase. All spectacle (eyeglass lenses) lenses are under a 1-year warranty if the Scratch Protection program is purchased by the member. Multiple replacements are allowed for scratched lenses. We will replace, within one (1) year from the original dispensing date, spectacle lenses that have become scratched under normal usage, only if the Scratch Protection warranty option was selected. This policy applies to all lens types and materials at the time of service.

For a period of one (1) year from the original date of dispensing, all lenses that have had an anti-reflective coating (ARC) applied and which are peeling or crazing, will be replaced with new AR coated or uncoated lenses (member choice) of the same material, style and prescription, at no charge. This ARC replacement policy does not cover scratches.

If a patient requests a change to a dispensed item, for a period of thirty (30) calendar days from the original date of dispensing, the patient may return any pair of Davis Vision Exclusive Collection frames and/or lenses to the eye care professional for changes.

### How does my plan work in Mexico?

Services obtained in Mexico are subject to the out-of-network level of benefits as described in your benefits summary. The member is responsible for paying for their eye care at the time of service, and submitting itemized bills and the Direct Reimbursement Claim Form to Davis Vision. The claim form can be found on our website at [www.DavisVision.com/members](http://www.DavisVision.com/members). Upon receipt of the claim, the charges will be converted at the currency exchange rate in effect on the date of processing of the claim. Reimbursements are made directly to the employee via check or direct deposit.

### If I have current coverage, will I be getting a new ID CARD?

If you are keeping your current benefits and not making any changes, you will not receive a new ID card. You can continue to use the card that was previously issued to you. If you are selecting the new High Plan (2-pair benefit) option, you will receive a new ID card within 10 business days following the processing of your enrollment election. You can also view your ID card on our member website at [www.DavisVision.com/members](http://www.DavisVision.com/members), and on our mobile app. Our friendly Member Service Representatives can also order cards upon request.

### When is the deadline to enroll or make changes?

Open Enrollment runs from **Monday September 20 through Friday November 5, 2021**. All enrollment changes must be made during this Open Enrollment window. Once the Open Enrollment period ends, you will not be able to make changes to your coverage until the next Open Enrollment period for the 2023 plan year unless you have a life qualifying event as required under IRS Section 125 Cafeteria Plan rules.

### For NEW EMPLOYEES, when would new coverage begin?

Full-time new hires that work 32 or more hours per week are eligible for benefits on their date of hire. If your hire date commences during the Open Enrollment period, your information will be sent to Davis Vision as part of the Open Enrollment process, and you will receive your ID card in conjunction with your coverage start date.

### Can the cost of coverage be deducted from my check on a PRE-TAX basis under my employer's IRS Section 125 Cafeteria Plan? If so, what do I need to do?

If you would like the premium deducted from your pay on a pre-tax basis, please select **"pre-tax"** when making your enrollment elections. Otherwise, select **"after-tax"**. Please note that selecting "pre-tax" may lower your net cost, but is subject to the terms of your employer's IRS Section 125 cafeteria plan. If you do not mark either option, we will assume your election is after-tax. For questions, contact your Section 125 cafeteria plan administrator.
