

Title: STEM Teacher (Math 1 / Advanced Math 1 **or** Freshman Science)

Employment type: Full time

Salary: Competitive salary commensurate with experience

Benefits: Includes medical and dental, retirement, housing, and meals

Date: Beginning immediately

Position Summary:

Teachers at Dunn work closely with their peers in a collaborative, cooperative, student-centered academic environment. Dunn is a community of educators and learners that is deeply dedicated to Whole Student Education, and so you will be involved with many facets of the Dunn School boarding and day programs such as classroom teaching, coaching, advising, and residential duties. We are in search of a full-time classroom teacher, to teach 4-5 sections of 9th-grade Math in our STEM Department with at least one section at an advanced level, **or** a classroom teacher to teach 4-5 sections of 9th-grade physical science. In either case, experience and/or desire to teach using student-driven and project-based learning is preferred.

At Dunn School, teacher effectiveness and impact are measured and aligned to the [Dunn School Characteristics of Professional Excellence](#) (follow this link for more detail). The CPEs describe an educator who is committed to the following: Professional Growth, Collegiality/Community, Mission and Core Values, Student-Centered, Academic Excellence, Individualized Instruction.

Dunn School is an Affirmative Action/Equal Opportunity Employer and seeks a diverse and broad spectrum of qualified candidates.

The ideal candidate for this position will have the following professional skills and characteristics:

- Math teaching experience (certification is not required) in a 6th- through 8th-grade educational environment
- Flexibility and ability to teach other courses in the STEM department.
- Bachelor's degree (Master's degree preferred)
- Growth mindset, flexibility, comfort with quick pace of change and openness to collaboration and experimentation
- Excellent writing skills
- Demonstrated ability to integrate technology in content delivery/skill development
- Demonstrable commitment to professional growth, openness to feedback and improvement, modeling lifelong learning of practice as well as subject area
- A sense of humor, a commitment to teaching the whole student, and a desire to help guide adolescents in their journey from childhood to young adulthood

Roles and Responsibilities

- Teach 4 to 5 sections of Freshman Math 1 / Advanced Math 1 **or** 4 to 5 sections of Freshman Physical Science
- Teach 1 Mini-Term class (1 week)
- Coach 1 season of after-school athletics or activities
- Residential duty in the dormitories (2-3 nights/month Sunday-Thursday)
- Weekend duty (approximately five weekend duty shifts and five Friday night duty shifts)
- Student advisor (4-6 students)
- Teach short-term enrichment classes (~10 hours/year)
- Participation in the Dunn School Leadership Program
- Other duties and roles to be determined

How to Apply:

Please email a letter of introduction and your resume to the Associate Head of School, Gene Vachon: gvachon@dunnschool.org. Your cover letter should highlight any education, previous experience, or desire to work in a boarding school environment.
