River Valley Local Schools bus routes are detailed below and buses will begin operation on the first day of school. Most routes include both cluster stops within corporation limits and individual stops at homes in the country.

Parochial students will be brought first to the high school and middle school campus, then shuttled to Tri-Rivers. High school and middle school students are picked up first and taken to school by 7:35 a.m., then all elementary students are picked up next and taken to their respective schools by 9 a.m.

Open Enrollment Transportation- Available **only if** the bus is not full to capacity, and it is a safe and designated bus stop. Open enrollment transportation will be more limited this year due to Covid-19. Transportation List will be established and we will advise where a stop will be available.

Please not that any pickup times are only estimates and will vary due to students riding and not. Please keep this in mind with school starting in a hybrid model times will have varied from last year as well. Until drivers are able to run these routes for a few days, times will vary.
