

Admissions Policy

Brooke House College

2021/22 Version

1 Introduction

- 1.1 Brooke House is a non-selective, independent day and boarding school, for boys and girls and young adults, aged between 11 and 19 years.
- 1.2 The aims of this policy are:
 - 1.2.1 to ensure consistency in admissions with the College's ethos and aims, and compliance with all legislation, regulations and standards applicable to independent schools.
 - 1.2.2 to enable the College to identify and admit students who will benefit from an education at Brooke House, and who will contribute to, and benefit from, the ethos and activities of the Brooke House College community. The College will only admit a child who has met the relevant admissions criteria as set out in this policy.

2 Equality, diversity and disability

- 2.1 All candidates for admission will be treated equally, irrespective of their race, sexual orientation, religion or belief, pregnancy or maternity, gender reassignment or any disability, or that of their parents. Candidates will also be treated equally in respect of their parents' age, gender or marital or civil partnership status.
- 2.2 The College is inclusive and welcomes applicants with disabilities and special educational needs. The College currently has limited facilities for the disabled but will do all that is reasonable to comply with its legal and moral responsibilities under the Equality Act 2010 and Special Educational Needs and Disability Act 2001 in order to accommodate the needs of applicants who have disabilities for which, with reasonable adjustments, the College can cater adequately.
- 2.3 Parents of a child who has any disability or special educational needs should provide the College with full details on registration. The College needs to be aware of any particular requirements which may affect a child's ability to participate in the admissions procedure and to take full advantage of the education provided at the College.
- 2.4 The College shall determine the reasonable adjustments that are required for the applicant based on the information provided, in accordance with the College's obligations under equality legislation. The College will consult with parents about the adjustments which can reasonably be made to ensure that the application procedure is accessible for the child and that the College can cater adequately for the child should an offer of a place be made.

3 Procedures

- 3.1 **Enquiry** - On request by email or telephone to the Director of Admissions, prospective applicants can obtain a copy of the College prospectus and admissions pack. The prospectus contains the registration form together with information about the College and the courses it offers. Parents and prospective pupils are encouraged to visit the College to meet the Principal, discuss educational opportunities and to view the campus and boarding accommodation. Parents should contact the Director of Admissions to arrange a visit to the College.
- 3.2 **Entry points:** The College operates a flexible approach to enrolment and does not enforce any strict entry points for pupils according to their age. Therefore, pupils are placed on the course most appropriate for them, with consideration given to the wishes of the parents, the age and ability of the pupil to follow the proposed course, the pupil's academic background

and their educational objectives. All courses have start dates at the beginning of the academic year in September, but many courses operate intakes in January and April also. Pupils may also be considered for entry at half term throughout the year or on any date by arrangement on the Intensive English Course.

- 3.3 **Applications:** To apply, parents must complete the registration form and send it to the College with copies of the following documents:
- 3.3.1 Photograph page of passport; Recent transcripts and/or reports from current or most recent school to cover at least the preceding two years of education.

 - 3.3.4 A UKVI IELTS certificate (for all students applying for a University Foundation Course).
- 3.4 **Entrance assessments:** Prospective pupils will be asked to complete entrance assessments in the circumstances described below:
- 3.4.1 Where English is not the first language, the Director of Admissions will issue an English Language test to be completed under examination conditions by the prospective pupil. Where a prospective pupil is seeking an academic scholarship, the pupil will sit age-related entrance examinations in English and Mathematics.
- 3.5 **Interviews:** These are of two kinds:
- 3.5.1 **general interviews:** in most cases there will be a general interview to explore the candidate's interests, attitude to school, personal qualities, ability to contribute to the College community, support available at home, any relevant connection with the College and the pupil's academic subject choices. General interview will normally be conducted by the Principal or Director of Admissions. For overseas applicants and those that are unable to attend the College arrangements will be made for the interview to be carried out by Skype.
 - 3.5.2 **option interview:** for entry onto A-level and University Foundation Programmes there may also be an 'option interview' to explore a candidate's academic ability in a particular subject. For certain option subjects (such as Art) candidates may be asked to submit samples of their work.
- 3.6 **Reference:** The Head of the candidate's current school will be asked to provide a written reference as to the candidate's academic ability, attitude and behaviour, involvement in the College community, talents and interest, and any other special circumstances such as special education needs, or a disability.
