Ethos & Statement of Aims

Ethos

At Brooke House College, we understand that we have a diverse group of pupils, coming as they do, from a wide range of countries and cultures. We also appreciate that each and every pupil is a unique individual who nevertheless is attending Brooke House with one common, united aim of receiving a pre-university education of the highest calibre.

Brooke House aims to provide a safe and tolerant co-educational environment which allows individual expression and development. Within this environment, we challenge our pupils to develop their talents and broaden their interests. In doing so, we aim to nurture individuals who have self-esteem, confidence, who are appreciative of diversity and are tolerant of others.
