ALUMNI GIFTS

Webb alumni generously gave to Webb this past year, supporting the annual fund, contributing to capital projects, and growing the endowment. These gifts assist almost every area across the school, and continue a cycle of giving whereby current students, faculty, and staff benefit from those who have come before them.

Alumni listed below have made cash gifts to one or more areas of the school during the fiscal year. The top five classes based on giving percentage are listed at the end of the report, along with the overall alumni giving percentage and total dollars received.

Class giving percentages are calculated as follows: The denominator includes all active alumni of a given class who graduated from Webb. The numerator includes any alumni who made a gift, potentially resulting in participation greater than 100%.

The Webb School Board of Trustees and Head of School Ray Broadhead – in conjunction with the Alumni and Development Office – are pleased to announce the public phase of Webb 150: A Campaign for Webb School. With a goal of \$4 million, the campaign will celebrate the school's 150th anniversary. It has been designed with three primary goals: to increase the school's endowment with new commitments (\$1.5M); to benefit current students and faculty through the Webb Fund (\$1.5M) and additionally, increase expected support through the Burkhead Legacy Society (\$1M) from those who have indicated that Webb School is a beneficiary of their estates.

The counting of gifts, pledges and bequests for Webb 150 commenced on January 1, 2018. The campaign will run for three calendar years, with a proposed end date of December 31, 2020. Sam Lasseter '69, trustee and Development Committee chair, agreed to co-chair the campaign with Gwen Jones Owen '75.
