119

120 **7. Resolution – COVID Mitigation Recommendations for the 2021-2022 School Year**

121 **Health and Safety Measures for the 2021-2022 School Year**

122

123 **WHEREAS**, Minnesota Statutes Section 123B.09 vests the care, management, and control of
124 independent districts in the school board; and

125

126 **WHEREAS**, the Superintendent of Independent School District 282 [hereinafter the
127 “Superintendent”] is responsible for the management of the schools, the administration of all
128 School District policies, and is directly accountable to the School Board; and

129

130 **WHEREAS**, when responsibilities are not specifically prescribed nor School District policy
131 applicable, the Superintendent shall use personal and professional judgment, subject to review
132 by the School Board, pursuant to School District Policy 302, *Superintendent*, and

133

134 **WHEREAS**, the Centers for Disease Control and Prevention (“CDC”) and the Minnesota
135 Department of Health (“MDH”) have determined that the COVID-19 pandemic is currently ongoing
136 and may remain ongoing for an unknown time; and

137
138 **WHEREAS**, the Minnesota Department of Education (“MDE”) has issued and may continue to
139 issue written guidance for Minnesota schools on educational issues related to COVID-19; and

140
141 **WHEREAS**, the MDH has issued and may continue to issue written guidance for Minnesota
142 schools on public health issues related to COVID-19; and

143
144 **WHEREAS**, the Superintendent and the administration of the School District have conferred with
145 the School Board regarding COVID-19 health and safety measures, the current CDC, MDE, and
146 MDH requirements for each, and other relevant information; and

147
148 **WHEREAS**, based upon the collective consideration of these factors, the Superintendent has
149 recommended to the School Board that

150 **Masks:** *Universal* required cloth mask wearing in school buildings for all students
151 ages two and older and staff, regardless of vaccination status. Masks should be
152 well fitting without valves. Neck gaiters are not adequate.

153 **Physical Distancing (Cohorts/pods):** During the 2020-21 school year,
154 cohorts/pods were created as a mitigation strategy. This strategy limited the
155 educational experience for students during the school day and required a
156 shortened school day. Based on universal cloth mask wearing, along with
157 heightened symptom awareness, schools can operate without cohorts/pods.

158 **Classroom/School Closures and Quarantines:** Universal cloth mask wearing
159 prevents the need to shut down classrooms or extended quarantines. CDC
160 states that as long as individuals are wearing masks, schools are not required to
161 implement classroom quarantines and/or shut down classrooms. Limited
162 quarantines may be required for unvaccinated people if the exposure occurs
163 when unmasked (i.e. lunch, sports). Shortened quarantine options will be
164 available as long as the exposure is not within the household. Household
165 quarantine for unvaccinated people is 14 days.

166 **Visitors:** Visitors will be limited to only essential services during the school day.
167 Thoughtful consideration will be required to ensure the safety of staff and families
168 during Open House/Back to School nights. Communication will be shared with
169 families prior and during the events to limit their time in the building, open all
170 doors, one parent/guardian per child.

171 **Lunch:** Mask wearing is not possible during breakfast and lunch times. The
172 following accommodations will be provided during these times:

- 173 o Hand sanitizing upon entering/leaving
- 174 o Wearing masks when entering the lunchroom until seated and when
175 finished eating.
- 176 o Grades 1-5 classrooms will come as a class together and exit together
177 as a class.
- 178 o Encourage eating outside when the weather is agreeable.
- 179 o Middle/High School lunchroom table documentation for contact
180 tracing.
- 181 o Elementary - seating charts.
- 182 o Direct instruction to students regarding COVID-19 mitigation strategy
183 protocols

184 o Breakfast carts in the hallway and staff will hand out breakfast to
185 students as they walk into the Commons Area

186 **Transportation on Vans/Buses:** Masks are required on all buses/vans per
187 federal law.

188 **Ventilation System:** ISD 282 has implemented a top-of-the-line ventilation
189 system in its school buildings. ISD 282 has raised the outside air intakes above
190 the required minimums by 25% or greater. In addition, school filters have been
191 upgraded to a Minimum Efficiency Reporting Value (MERV) 14 - The American
192 Society of Heating, Refrigerating and Air-Conditioning Engineers suggests a
193 MERV 13 or greater to combat the COVID-19 virus.

194 **Contract Tracing:** If all people are masked, the school district will notify staff and
195 students of a COVID-19 positive exposure. Recommendations will be provided to
196 take a COVID-19 test 3-5 days after exposure and to continue masking.

197 **Lockers and Locker Rooms:** Students will be masked so use of lockers and the
198 locker room are permitted.

199 **Cleaning and Sanitizing:** Students will have hand washing breaks throughout
200 the day (K-5) and all students will have access to hand sanitizer. Custodial staff
201 will clean and disinfect surfaces in each room at the end of each day.
202

203
204 **NOW, THEREFORE, BE IT RESOLVED,** by the School Board of Independent School District No.
205 282 as follows:
206

207 **Section 1:** The Superintendent is hereby directed to implement the above mentioned health
208 and safety measures to open the 2021-2022 school year.
209

210 **Section 2:** The Superintendent is hereby authorized, after consultation with the School Board
211 Chair and notification to the School Board, to select and implement different health and safety
212 measures for the School District or any specific school buildings without School Board action
213 if the Superintendent reasonably believes that prompt implementation of different health and
214 safety measures is necessary, and that constraints of time and public health considerations
215 render it impractical to hold a School Board meeting to approve the implementation. The
216 health and safety measures selected and implemented by the Superintendent shall continue
217 in effect unless and until the School Board, in consultation with the Superintendent and
218 appropriate school district staff and public health officials, deems it in the best interest of the
219 School District and its students to implement different health and safety measures.
220

221 **Section 3:** The School Board will ratify the updated health and safety measures at the next
222 regular school board meeting.
223

224 **Section 4:** The Superintendent will provide regular updates to the School Board regarding
225 the School District's efforts to implement COVID-19 related educational and public health
226 guidance issued by the MDE and the MDH, respectively.
227

228 **A motion was made by Leah Slye and seconded by Ben Phillip to approve the COVID**
229 **Mitigation Recommendations – Health and Safety Measures for the 2021-2022 school**
230 **year, as presented. With a roll call vote, the motion carries 5-0.**

231

232 **8. School Board Goals**

233 The SANB School Board goals align with the District’s Strategic Directions of High Expectations,
234 Strong Communication, and High Support.

235 **A motion was made by Lynne Penke Valdes and seconded by Ben Phillip to approve the**
236 **2021-2023 School Board Goals, as presented. With a roll call vote, the motion carries 5-0.**

237

238 **9. Summer School Agreement with Brooklyn Center**

239 This Agreement (“Agreement”) is entered into by and between Independent School District No.
240 286, Brooklyn Center (“Brooklyn Center”) and Independent School District No. 282, St. Anthony-
241 New Brighton (“St. Anthony-New Brighton”). Brooklyn Center and St. Anthony-New Brighton are
242 collectively referred to as the “parties.”

243 WHEREAS, Brooklyn Center offers two summer school programs during the summer of 2021: the
244 LEAP Summer Program for grades K-5 and the STEP Summer Program for grades 6-8
245 (collectively, the “Summer Programs”);

246 WHEREAS, St. Anthony-New Brighton sent a total of 37 students to Brooklyn Center to participate
247 in the Summer Programs;

248 WHEREAS, St. Anthony-New Brighton provided transportation to all of its students who attended
249 the Summer Programs;

250 WHEREAS, St. Anthony-New Brighton provided 1 teacher to teach in the Summer Programs;

251 WHEREAS, Brooklyn Center provided for all other costs of programming related to the Summer
252 Programs; and

253 WHEREAS, the Summer Programs are complete, and the parties now wish to memorialize the
254 costs each party is responsible for.

255 NOW, THEREFORE, IN CONSIDERATION OF the promises contained in this Agreement and
256 other valuable consideration, the sufficiency of which is hereby acknowledged, Brooklyn Center
257 and St. Anthony-New Brighton agree as follows:

258

259 1. **State Aid.** The parties agree that Brooklyn Center shall be solely eligible for and receive
260 all state aid from the State of Minnesota for all students enrolled in the Summer Programs.
261 To the extent necessary to obtain the state aid, St. Anthony-New Brighton agrees to work
262 with Brooklyn Center and provide any supporting documentation requested by the State.
263

264 2. **Transportation Costs.** The parties agree that St. Anthony-New Brighton incurred
265 \$18,901.62 transporting students to and from the Summer Programs. Upon St. Anthony-
266 New Brighton submitting an invoice to Brooklyn Center for the transportation costs,
267 Brooklyn Center shall issue a check payable to St. Anthony-New Brighton for \$18,901.62.
268

269 3. **St. Anthony-New Brighton Teacher Cost.** The parties agree that St. Anthony-New
270 Brighton provided 1 teacher to teach in the Summer Programs. Brooklyn Center agrees
271 to pay to St. Anthony-New Brighton \$7,701.03 for the cost of the 1 teacher who taught in

272 the Summer Programs. St. Anthony-New Brighton shall submit an invoice or
273 documentation to Brooklyn Center supporting the cost of the 1 teacher for \$7,701.03.
274

275 4. **Relationship.** Nothing in this Agreement may be construed to create a partnership or
276 joint venture between the parties. The parties have no authority or power to take any
277 action that could legally bind the other party. Each party is considered to be an
278 independent contractor relative to the other party, and the relationship of the parties is
279 governed exclusively by this Agreement.
280

281 5. **Choice of Law and Forum.** This Agreement is governed by the laws of the State of
282 Minnesota. Venue for all legal proceedings arising out of this Agreement, or breach of this
283 Agreement, must be in Minnesota state or federal court.
284

285 6. **Waiver and Enforcement.** The failure to insist on compliance with any term, covenant,
286 or condition contained in this Agreement must not be deemed a waiver of that term,
287 covenant, or condition, nor will any waiver or relinquishment of any right or power
288 contained in this Agreement at any time be deemed a waiver or relinquishment of any right
289 or power at any other time. Each party is be responsible for its own costs, expenses, and
290 any attorneys' fees associated with this Agreement and any related matters, including
291 enforcement of this Agreement.
292

293 7. **Severability.** If any provision of this Agreement is held unenforceable by a court of law,
294 the remaining portions of the Agreement will remain in full force and effect unless the
295 remaining portions would not serve the original purpose of the Agreement.
296

297 8. **Equal Drafting.** In the event that either party asserts that a provision of this Agreement
298 is ambiguous, this Agreement must be construed to have been drafted equally by the
299 Parties.
300

301 9. **Entire Agreement.** The parties expressly understand and agree that the terms of this
302 Agreement constitute the entire agreement between the parties. Except as stated in this
303 Agreement, no party has relied on any statement, promise, inducement, or representation.
304 This Agreement supersedes any and all prior statements and agreements between the
305 parties. No modification or waiver of any provision of this Agreement will be valid unless
306 both parties agree to the change in writing, as evidenced by a duly signed addendum to
307 this Agreement.
308

309 10. **Signatures.** This Agreement may be signed in counterparts, and a copy of this Agreement
310 will have the same legal effect as the original.
311

312 **A motion was made by Ben Phillip and seconded by Leah Slye to approve the Summer**
313 **School Agreement with Independent School District 286 (Brooklyn Center), as presented.**
314 **With a roll call vote, the motion carries 5-0.**

315

316 **8:14 pm ADJOURNMENT TO CLOSED SESSION:** The School Board will close the meeting
317 pursuant Minn. Stat. § 13D.05, subd. 3(b)(the attorney-client privilege) to discuss pending or
318 threatened litigation concerning an employee.

319 **ADJOURN TO OPEN SESSION 9:10 pm**

320

321

DISCUSSION

322

323

1. School Board Evaluation Review

324

325 As the entity legally charged with governing a school district, each school board is responsible
326 to its community for governing efficiently and leading effectively to provide for equitable
327 education, resulting in high student achievement. Effective school boards engage in a
328 continuing process of self-assessment and use the results to identify opportunities for
329 improvement. Using the MSBA five standards of school board leadership (conduct & ethics,
330 vision, structure, accountability, advocacy & communication), an evaluation tool was developed
331 for the St. Anthony-New Brighton school board to identify effectiveness and opportunities for
332 improvement.

333

334

2. Superintendent Evaluation Review

335

336 The hiring and evaluation of a superintendent is one of a school board's most important
337 responsibilities. The process and timeline for our annual superintendent evaluation includes a
338 mid-year progress report and a year-end evaluation. In June, the Board conducted a detailed
339 evaluation of Dr. Corneille's work for District 282 during the 2020-2021 school year. The
340 evaluation included the following performance areas: Leadership; Finance; Curriculum and
341 instruction management; Community relations and engagement; Personnel/organizational
342 management; Board relations; and Student support. We discussed the findings of the evaluation
343 as a board and with Dr. Corneille during a closed session after the June 15 work session, in
344 compliance with Minnesota statute 13D.05 196 Subd. 3(a). During this extremely difficult year,
345 Dr. Corneille displayed creativity, wisdom, and compassion addressing the health and safety of
346 students and staff along with their social and emotional needs, while guiding quality teaching
347 and learning. She effectively employed the skills of her administrative team to support and
348 improve rigorous, relevant instruction in a caring environment. Dr. Corneille used a variety of
349 methods to communicate the many changes that occurred during the year. The superintendent
350 and board share a goal of continued improvement in communicating with parents and the
351 community. The board is appreciative of Dr. Corneille's dedication and skills in leading District
352 282 in the future.

353

354

3. Annual Policies for Review

355

356 The MSBA (the Minnesota School Board Association) requires school districts to review a set
357 list of policies each year. This was the first reading of the policies presented.

358

359

4. Building and Grounds Update

360

361 **School Buildings.** The Custodial unit has worked short-handed for the past year. Hiring
362 freezes, cuts in staffing, medical leaves, and a shortage of available workforce for substitutes
363 and summer workers has resulted in a reduced staff cleaning and preparing over 300,000

364 square feet of buildings for the 2021-22 school year. With some adaptations to complete the
365 needed summer cleaning, our staff has done a fantastic job of preparing first Wilshire Park and
366 now the HS/MS building for the return of staff and students.
367

368 **Digital Signs.** New “watchfire” digital signs have replaced the expiring technologies at the
369 HS/MS building at Wilshire Park. Our IT staff is learning this new system and will be training
370 staff on its use.

371 **Central Park Fields.** Just in time for a drought, all four of the Central Park fields are now
372 draitiled. This school district-led project showed a dramatic, positive effect this past spring,
373 allowing for more access / use to fields and healthier grass.

374 **Tennis Courts.** While the school district undertook the drain tile project in Central Park, the
375 City of St. Anthony coordinated and funded the renovation of Central Park’s six tennis
376 courts. The courts are safe, repainted, and once again full of users - young and old!

377 **Swimming Pool.** We are now entering the second year of competitive use of our swimming
378 pool / diving well; hopefully this year we will be able to safely allow spectators to also enjoy this
379 space. The months-long renovation project addressed structural issues that will provide
380 decades of continued use.

381 **Stadium Field.** District staff continue to receive very positive feedback from community
382 members regarding the stadium field’s reconstruction. The majority of projects are now coming
383 to completion and our new stadium has had its first public event (a St. Anthony Sports Boosters
384 youth football combine). The lights work once again and in the near future the remaining
385 electrical supply will be finished. Below is a summary of where each stadium field project
386 stands:

- 387 • *Bleachers:* the bleachers are now to punch-list status. ADA accessible and code-
388 compliant bleachers have been installed on the home side. The total seating capacity is
389 very close to the previous bleachers. The bleachers are watertight to allow for under-
390 bleacher use and storage. Planned from the beginning of this portion of the stadium
391 project, in the future we will look to close the backside to provide more functionality and
392 security in this area. We are still investigating the potential for visitor bleacher updates -
393 as updates become available they will be shared with the Board.
- 394 • *Press Box:* the new press box also meets Minnesota state code, providing space for
395 game workers, coaches, media, and our local CTV volunteers. The “crows nest” on the
396 top of the press box has a staircase and railing to allow safe access for cameras and
397 wireless communication. The public address system has been reinstalled, the remaining
398 electrical will be connected soon.
- 399 • *Fiber Optic Internet:* the absence of internet and WIFI at the stadium field has been an
400 increasing obstacle for streaming, security cameras, game technologies, and guest
401 access. The abandoned fiber optic line that used to run through Central Park from the
402 HS/MS to Wilshire Park traveled right next to the stadium field. This line has now been
403 captured and repurposed, providing fiber optic internet to the concession building and
404 press box.
- 405 • *Turf:* the turf installation went very well. The field looks and “plays” great - the reviews
406 from those who have been able to use the synthetic turf continue to be favorable. The
407 field is fully lined for lacrosse, soccer, and football. It also has “tick” marks for softball
408 and baseball bases. The field schedule is very full for this fall, with extended use for
409 football, girls soccer, and boys soccer. Sports Boosters football will also be using time
410 on the field and requests for field rental have started to be placed. District staff will
411 continue to develop use procedures, scheduling options, and rental opportunities.
- 412 • *Track:* the eight-lane, 400 meter competitive track is now complete. A competitive
413 rubberized surface was installed on top of the asphalt, providing an impressive running

414 surface. All lines have now been painted and the track is open for walking /
415 running. Bicycles and other wheeled objects will damage the rubberized surface and
416 should not be used on the track. The fence and gates around the track are now
417 complete, with the main entrance gate (near the concessions) the only item remaining to
418 be installed.

- 419 • *Field Events*: the last remaining portion of the Peterson Companies contract is to
420 complete the field events behind the home bleachers. All the asphalt has been laid,
421 after a 30-day curing period the rubberized coating for this triple-jump, long jump, and
422 pole vault will be applied. The high jump area is in the south end zone area, and shot
423 put is on the south side of the visiting bleachers, and the discus is on the north side of
424 the visiting bleachers.
- 425 • *Concessions*: the most trying and difficult portion of this project has been permitting for
426 the concession building. A state building permit is required to receive a plumbing
427 permit. With the building permit granted, all work that is able to be done prior to the
428 needed plumbing permit is complete. Once the Department of Labor and Industry grants
429 our needed plumbing permit, the plumbing can be installed, allowing for the concrete
430 floor to be poured and subsequent walls. Staff is preparing for the possibility this work
431 will not be completed this fall. Alternative concession plans may include operating out of
432 coolers and the use of food trucks. Satellite toilets will be secured in the absence of
433 restrooms.

434 Overall, the stadium track and field projects have gone quite well and the District has benefitted
435 from reliable and skilled contractors / subcontractors. The stadium facilities are now open and
436 available for community use during daytime hours; the District encourages the responsible use
437 of our facilities by community members!

438
439

440 **REPORTS**

441

442 Superintendent Corneille expressed gratitude to all staff for their work on Rigor, Relevance, and
