Be informed. Get involved.

Entérate, involúcrate!

The school accountability committee (SAC) advocates for administration, teachers, and staff at Alicia Sanchez. We learn what's coming up at school and how decisions are made. We learn how the school supports families and interacts with the school district. SAC members get to share our ideas, challenges, and opportunities with school leaders. The group meets monthly on the first Wednesday of each month at 4pm, and you can join us once or every month. Agendas are public and can be reviewed after each meeting. Meetings are held alternately in Spanish and English with translation. We invite all parents to come learn and contribute!
