

Prevention & Early Intervention Family Support Services

Alum Rock Counseling Center is partnering with **Oak Grove School District** to bring you the **Prevention & Early Intervention (PEI)** program, supporting students, parents, and families.

Student Behavior Support:

Behavior Specialists work with students to help them change problem behaviors to be more productive at school and at home.

Individual and Family Therapy:

PEI Clinicians can work with your student or your family to deal with personal challenges that you may be experiencing.

We're here for you during COVID-19!

ARCC is offering services in English and Spanish via telehealth until in person services resume

Contact Information:

Desseray Vega, AMFT

PE&I Program Manager

Case Management:

Family Partners can help you identify needs in the family and assist you in connecting to resources to address those needs.

MISSION:

To heal families and inspire youth to reach their full potential.

www.alumrockcc.org

Parent Workshops:

Learn skills to better work with children who may be expressing themselves in non-productive behaviors (e.g., acting out, arguing, disrespecting others, etc.) especially during distance learning as well as helpful positive strategies to navigate these difficult times.
