Communication re:

What are parents thinking about in prep for high school?

After school needs of junior high

Why don't people show up?

What are these conversations like?

How to improve culture? (PARCC)

Getting people to show up

Respond explicitly to what community brings up Good or bad

Don't beg the question about what the community is saying

Perception

How were choices made?

Junior High Challenges

The after school gap (2-4)

Who supervises?

Costs down

Keep kids in habit of after school engagement into high school

7th Grade ID Project VERY IMPORTANT

How to build on this

Parents worry that kids don't have good – non-virtual friends
Do kids "get this" issue of having one good friend?

Community involvement in schools
How to grow it? Value beyond dollars

Varied opinions on testing

↓
Reactions of children

Lots of unknowns about the test

What will the tests show about our children?

We need to know more about what the tests are used for and everyone needs to know

Basic information about tests isn't known and it's on the website
