

Community Conversation
March 12, 2015
Hopewell Elementary School – Building

More teams for kids and more promotion of those teams

Parent – Staff relations and communications Question: How to best communicate?

More events → Whole family
Creates community outside of school

More adult involvement with those student teams

Challenges

- Time/Two (2) jobs
- Don't read emails
- Instant access, convenience

What needs to be true

- Clear place to find data
- Social media usage – Access to info
- Many communication options
- Good communication systems
- Parents feel
- A means to find people with same interest

High schools need seven (7) bells

High schools need more guidance counselors

Foundation – Opportunities to learn beyond the standard

Curriculum/Content

- Can learn math anywhere

Hard skills

- Literacy
- Frame argument
- Communicate point of view

Community and social structure

Belonging

Noticed/special

We are special

Happy dedicated staff

“It factors”

Active people doing stuff

Community events

Social functions

Soft skills

Human skills

Interaction

Needs student individualization
