

Community Conversation Notes: Full Day Kindergarten 2015

March 24, 2015

Observe (facts only)

Feel (not I feel that you...)

Need (general/inner driver)

Request (specific action)

Takes a village to build relationships.

Learn together

Collaborate to get "it" done.

Whole child

Quality Education Means:

Outcomes

Social/Community interactions

This is the foundation for...

Be able to give back

Be able to challenge each kid where they are at so they grow

Build confidence with responsibility

Well Rounded Education Means:

Progress at the level they are ready for

Creativity woven into the expected great academics

Eager to learn as they grow

Love of learning

Good Surprises:

subject matter

Choosing topics

Kids love school

Good communication between teachers and kids good rapport

Requests:

Add parent teacher conference

Snack time...healthier food choices and enforcement

Lunch earlier

Because of tuition make a premium product...more special

Address tension between paying and non-paying

More assistance per kid like a private school

Fewer kids per staff (1st time child is out of home: emotionally vulnerable, more 1:1 accelerates learning)

Full day with same 25 mitigates deeper relationship and individualized education

All day for anyone who wants it...even paid
