

**Community Conversation January 16, 2014**  
**Kelley Casper**

**Topics and Targets for Community Conversations**

- Local business owners
- Explain Common Core
- Prepare high school students
- Alumni  or on its own

Challenges of communication generally

 and get them out to meetings

Use Community Conversations to...

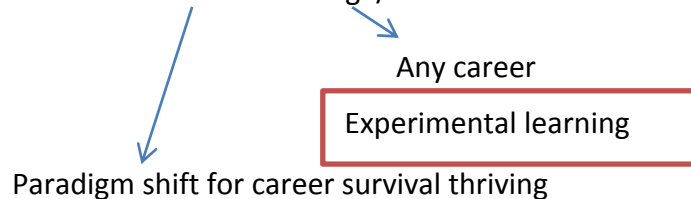

- Dispel rumors
- Ongoing dialogue with community
- Explain the challenges
- Involve more types of people
- Get the cross-section in the same room

Conversations tell all it takes a community

Same opportunities for all students  
Especially the students in the middle

Teaching as a profession  
- How do we keep/recruit

How to give students direction into college/etc.?

How can the community hear of the challenges to teachers (and vice versa)?
