

Notes from September 13, 2013 Susan Costantino (Senior Center)

What kind of problem solving does Lakota do?

Why no cursive taught?

→ read/write

How can we spend more time to ensure basic skills?

Why so much homework?

- Right amount // Type
- Start times

Who is responsible for kids' education?

- Role?

Income disparity issues?

How to teach "real" communication skills?

How to emphasize respect?

How can Butler Tech play a role in preparing kids for jobs?

How do we ID and nurture kids' skills?

What is Lakota's "grade" and how to they arrive at it?

What is Lakota doing to emphasize/improve math and science?

How to move kids forward beyond level?
