

STUDENT NEEDS

Technology classes

- Get in the world and experience the career
- Help get ready for college focus
- Backup plans
- Bring people to the class

Flexible schedules

- Right real world equipment
- Money and resources from community

Community experience

- Shadow a nurse at UC
- Interns

Understand community diversity

More AP classes to younger students

Have deeper counseling as a freshman RE: Future

Senior year, "This is what you did and where to go" is too late

Do this as a freshman and help find the opportunities and experiences

Parental guidance

Money to fund

- More money to pay for 7th bell Resources

Actual college classes – Already happening

Extracurriculars

- Personal skills
- Ability to work with others
- Show college you can manage time
- Communication/Leadership skills
- Scholarships
- Learn creativity
- Get experience
- Well rounded person

Street smart
Prepped for college
Real world
Independent } Practical and common sense

AP Art – Teaches independence
Critical thinking
What I want

Experienced learning

Need more classes to offer opportunities not less

Flexible subject teachers

Better teacher evaluation

What kind of a teacher

Interactive
Dynamic
Encouraging
Helpful
Enthusiastic
Understanding

We are busy
Need constant feedback
Don't expect, teach

More work isn't necessarily educational

Student should go beyond "school vs. job"

Have a job
Active in extracurriculars
etc.

Financial classes

Job classes

More IT classes

LAKOTA KNOWN FOR...

Students lead evolution of education

Diverse, student – Driven, opportunities

Practical Community Sports Arts Collaborative

Find the resources to do this

We better the whole student

Character

People skills

Prepared for future

Technology – Innovative use of technology to educate
