

## **SUCCESS**

Basic life essentials – Heat, food, electric  
Including at home

Educate parents about what kids really need  
Extend education into the homes  
What kinds of activities  
How many activities

Social service partnership

Parent and child partnerships and relationships  
Adult child relationships especially cross-generation  
Tutors – Community resources generally to make up for school cuts  
Mentors – Better way to connect  
College fairs early on – Basic life essentials  
Career/My gifts – Transportation  
Parent work shops – Character education  
Learning experiences

## **COMMUNITY LEARNING EXPERIENCES**

Learning beyond yourself

Understand each other  
And learn from each other

Involve kids in “the fix”  
Get their own parents involved  
Family service project  
Kids pull community together

Learn how to – Build collective purpose

Kids become accountable to themselves  
Leadership skills

Get the word out to the community so people get engaged

Social media – Fun events  
Community education

Connections between education and township government

Work with churches

Business and school partnerships

Focus on character/self-esteem

Allow churches and other partners to help do that

Empowering kids to build

Help bring community together at any level

The Lakota community – Beyond schooling

Parents, teachers and community all vested in student success
