

## **2021-2022 DRESS CODE**

Buffalo Seminary does not require a uniform. The SEM dress code exists to allow students freedom to express their individual style while also acknowledging SEM as an academic institution.

It is the responsibility of each student and her guardian(s) to check her attire before leaving for school. As a community, we strive to dress in a manner that supports a positive learning environment for all. Student attire will be checked each morning at the door.
