Beaverton School District

The Beaverton School District is nationally recognized for its high student achievement and innovative programs. Beaverton students have the opportunity to investigate learning options that best fit their academic needs. Students can choose their neighborhood school, or one of a number of small learning options. Regardless of which school you attend, you will receive an excellent education.

How Do I Find Out More?

- 1) Ask your counselor, teacher or principal about your learning options.
- 2) Investigate your neighborhood school. There are many advantages to enrolling in your neighborhood school. All neighborhood schools provide rigorous, challenging and meaningful academic offerings and a wide variety of extra-curricular opportunities.
- 3) Due to COVID-19 some schools may offer a virtual Open House. Please contact the school(s) of interest directly, for more information.
- 4) When investigating a school, consider how the school operates, how it feels, extra-curricular opportunities available, and how the educational approach matches your needs and interests.
- 5) Visit <https://www.beaverton.k12.or.us/departments/learning-options> to learn more about all learning options and important dates.

How Do I Apply to a Learning Option School?

- 1) An online Learning Options Application is available in English and Spanish at <https://www.beaverton.k12.or.us/departments/learning-options/full-day-option-programs> and may be submitted electronically to the Learning Options Office.
- 2) In addition, applications can be accessed from the website, printed, completed and delivered by mail, fax or hand-delivered to the Learning Options Office.
- 3) All Learning Options Applications must be received in the Learning Options Office (at the address below) no later than **4:00 pm on Friday, December 10, 2021.**

**The Learning Options Office
Beaverton School District, 16550 SW Merlo Road, Beaverton, OR 97003**

Date	Application Process
Friday, December 10, 2021 4:00 pm	Applications MUST be received by 4:00 pm on Friday, December 10, 2021 to be included in the lottery for Arts & Communication Magnet Academy (ACMA), Aloha-Huber Park K-8, International School of Beaverton (ISB), Beaverton Academy of Science and Engineering, Raleigh Hills K-8, Rachel Carson School of Environment Science (RLC) and Springville K-8.
Wednesday, December 15, 2021	Lottery conducted for programs where the number of applicants exceeds space available. Lottery is not public.
Thursday, December 16, 2021	Letters offering enrollment or notification of wait-pool status will be sent via the email address listed on the application. Result cannot be given over the phone.
Thursday, December 16, 2021 to Monday, January 10, 2022	Second Consideration: Students who are not selected in the first round of the lottery will receive an email indicating their wait-pool status and the opportunity to participate in Second Consideration - if available. Students who want to be considered for Second Consideration must notify their applicant school well before the Monday, January 10, 2022 deadline.
Wednesday, February 2, 2022	Deadline for acceptance of enrollment offer. Families have the option to accept by: (1) using the Online Response Form , (2) scanning acceptance form to options@beaverton.k12.or.us , (3) mailing response form to the address listed above -- must be postmarked no later than Wednesday, February 3, 2021, or hand-delivered to the Beaverton School District Learning Options Office by 4:00 PM Wed., February 2, 2022.
Any openings remaining as a result of students declining enrollment offers and/or after the Second Consideration process will be filled from the wait pool. Students can still request enrollment following the first round of placement, though openings may be extremely limited.	

K-8 Schools - Fifth-grade students who attend Aloha Huber Park will have priority for 6th-grade enrollment in their school. AHP will only accept applications of students that live within the school boundary. Raleigh Hills and Springville will only be accepting applications for 8th grade, as they phase out their K-8 model.

Summa - Summa is a learning placement for highly gifted students in grades 6-8. For more information visit <https://www.beaverton.k12.or.us/departments/student-programs/talented-and-gifted>.

Additional High School Learning Options:

Partial Day Options Programs - Automotive Technology, Construction, Health Careers and Terra Nova. Students need to work with their academic advisor/counselor to sign up for these classes as part of their regular high school forecasting/enrollment process for the next academic year. For more information visit <https://www.beaverton.k12.or.us/departments/learning-options/partial-day-option-programs>.

District Goal: WE empower all students to achieve post-high school success.
