A message from the Office

Just a reminder to parents that if you are emailing the school in connection with your child, to always please include their full name and class, either in the title of the email, or somewhere in the text of the email.

Respecting the School Grounds

- **Please** do not let your child climb up on the bank at the front of the school. They could slip and fall onto the concrete path below and sustain a nasty injury. Furthermore, it is an area which has grass and some wildflowers which will be destroyed if they are trampled on. If you see your child making a move to climb, please stop them before we have to.
 - **NO scootering or cycling anywhere within the school grounds please.**
- **NO dogs on the school site at any time of the day (this includes drop off at breakfast club or pick up from afterschool club)**
- **Please remember to park safely and considerately when you drop off or collect your children. Be patient and pay attention to children or parents crossing the road.**
