Rib Mountain Goals for 21-22 Submitted by Tammy Steckbauer, Principal

In our quest for continuous improvement, we have examined our student, family, and staff data and will be working to develop action steps to help us improve in the targeted areas. It's important that you know our goals and are aware of what we're trying to accomplish.

Student Engagement Survey Results

Last spring, we surveyed our fourth and fifth grade students. This survey has a target score of 80 which translates to "highly effective" practices. We have already begun to work on these areas through our Leader in Me program with our 21-22 theme: ***Rib- Where every student is a leader!*** It is our interest to work to find opportunities that will grow and cultivate a feeling of empowerment and leadership in every student.

Our three most significant areas according to students are as follows:

42pts.- I have the power to make a difference.

50pts.-I feel like an important member of my school.

57pts.-I have the chance to make a difference.

Parent School Perception Survey Results

Parents had an opportunity to participate in a survey last spring as well. This data has been collected over the last several years so we are able to see our results ebb and flow. While I'm proud that many of our results are very strong, we do see some areas in need of improvement. Those areas are listed below.

42%- I feel my opinions are taken into consideration regarding policy decisions.
(This score has declined over the last few years: 100, 97, 65, and 42).

54.4%-I am satisfied with how our school responds to reported bullying incidents.

70.7%-The amount of homework given is appropriate.

73.4%- Teachers personalize instruction to meet my child's needs.

We are committed to being the best elementary school possible. We are committed to each and every child, and we will be sharing information with you to help outline our approach to these challenges. First and foremost, I will be working to address these parent engagement results through open communication. I believe the first step is to make sure we are all on the same page in terms of our understanding. Please watch for that information to be shared in upcoming newsletters.

Parents/guardians, you are your child's first and most important teacher! At any time, if you have information to share, tips and tricks to help motivate your child, or information to help us better understand your child's learning style and/or interests, we hope you'll share that with us.

So PROUD to be a Rib Mountain Mustang!

Tammy Steckbauer, Principal

Leader in Me Assembly

This past week, Rib Mountain heard from Mrs. Keele, one of the organizers of Rise Up. This group seeks to build community, purpose and hope through collective art projects. Rise Up has now successfully installed four amazing murals in our community (W.O.W, Whitewater Music Hall, bordering the 400 Block and inside Aspirus Hospital). These murals involved the collective efforts of many individuals, each working on small sections of art and then joining efforts to create a masterpiece. Mrs. Keele explained to our students the rewards of synergize, one of our Effective Habits for Leaders. This Habit teaches us that together we can achieve spectacular results when we use each other's unique gifts. Together, we can achieve more!

Join Rise Up this weekend at the special Mural Dedication of Wausau's newly installed art on Whitewater Music Hall. And Thank You Rise Up for your inspiring message to your students!

Leader in Me

Leader in Me

A NEW WAY TO DEFINE LEADERSHIP

Everyone Can Be a Leader · Everyone Has Genius · Change Starts with Me

We've nearly completed our First 8 Days of Leader in Me at Rib Mountain! The first 8 days are designed to jump start our school leadership culture, laying the foundation for understanding of the 7 Habits and developing our social-emotional intelligence.

We focus on developing the whole child by:
teaching **LEADERSHIP** to every student,
creating a **CULTURE** of student empowerment,
and aligning systems to drive results in **ACADEMICS**.

SEPTEMBER'S FOCUS IS HABIT 1 : BE PROACTIVE

- I have a "can do" attitude and always try my best at everything I do.
- I follow directions and do the right things without being asked, even when no one is looking.
- I choose my actions, attitudes and moods and don't blame others for my wrongdoing.

Leader in Me @ HOME

The Habit 1 key concept "Circle of Control" teaches that while there are many things we cannot control, **we can control our choices, responses, and attitudes**. As a family, think of something that you would like to improve such as being ready for school on time, cutting back on screen time, or eating healthier and/or more meals together.

On a piece of paper, draw 2 circles as shown above. Write the things you have control over in the center of the circle. Write the things you have no control over in the outer circle. As a family, practice being proactive about the things that are in your Circle of Control and working to improve those things. The more time you spend in your circle of control, the more improvement you will see.

**"I AM THE CAPTAIN OF MY LIFE. I CAN CHOOSE MY ATTITUDE.
I'M RESPONSIBLE FOR MY OWN HAPPINESS. I AM IN THE
DRIVER'S SEAT OF MY DESTINY, NOT JUST A PASSENGER."**

Welcome Back

Rib Mountain PTO would like to welcome back all new and returning students, parents & teachers to the 21-22 school year!

PTO is an organization of parents and teachers of Rib Mountain Elementary whose goal is to foster a nurturing and caring environment that strives for continued parent involvement in helping build a better educational environment for our children.

Through fundraising efforts, the PTO is able to donate funds to purchase educational materials and equipment for the school. For the PTO to be effective and truly representative of the school, it is essential to have parent involvement from as many parents as possible! Whether or not you can attend in person meetings, there are endless opportunities to be involved based on your own level of flexibility.

Calling All Vendors!!!!

On behalf of the Rib Mountain Elementary School and PTO, we invite you to join us as a vendor at the annual Rib Mountain PTO Fall Bazaar. The event will be Saturday, November 13, 2021, from 8:00am – 3:00pm at Rib Mountain Elementary School located at 150801 Robin Lane.

If you are interested in joining us this year, please complete the enclosed **Vendor Registration Form** and return along with a **check** to the address below. Please make checks payable to Rib Mountain PTO. If you have provided an email address, you will receive confirmation by email. **We appreciate completed registrations and payment by Monday, September 20, 2021.**

Returning vendors will be given priority registration; however, it is expected that all vendors will meet the September 20th deadline for this to apply. A waiting list will be created for other interested vendors effective Tuesday, September 21, 2021. The waiting list will operate on a first-come, first serve basis. We reserve the right to limit the number of similar vendors to ensure an optimum sales opportunity; in particular, direct sales vendors. **Other specific space location requests** can be made, but please know that there is no guarantee they will be honored. This includes preferences regarding hallway spaces.

There will be no food pre-order form again this year. Food could be ordered and paid for the morning of the event and would be delivered to your booth.

We are excited to have you participate in our annual PTO/Rib Mountain Elementary Fall Bazaar and we appreciate your support! In an effort to increase foot traffic, we have invested more for advertising. We have also increased the number of vendor spaces available. In order to do that, we created spaces in our hallways. All spaces, regardless of their location, measure close to 60² ft. We have spaces in the gymnasium (10X6) = 60² ft. and we have spaces in the hallway that vary due to the width of the hallway:

(3.5 X 17.5 ft.) = 61.25² ft. (4 X 15 ft.) = 60² ft. (4.5 X 13.5 ft.) = 60.7² ft.

We will fill the spaces in the gym first and then move to fill spaces in the hallway. As noted, if you prefer a certain sized hallway space to better accommodate your booth set up, you can indicate that on the registration form. While guarantees cannot be made, efforts to accommodate your wishes will be made. **The best way to guarantee your wishes is to register and submit your payment early!**

If you have any questions, please contact the Rib Mountain Elementary School office.

Thank you,

Tammy Steckbauer, Principal
