From Rob Wagner Athletic Director

The York Athletic Department would like to commend all of our parents, families, and spectators for following the mask mandate at indoor athletic events. The health and safety of our students, staff, and spectators is our top priority. We are all fortunate to have athletics at this time, and the York Athletic Department will continue to foster the safest climate. I greatly appreciate how everyone has followed the guidance, which allows our staff to focus on the athletes and coaches. Just a reminder, if anyone is sick, please stay home. Do not send students to school or athletics if they are not feeling well or have any cold or flu like symptoms. District 205 has numerous resources on the District 205 Website for families; go to the following link if interested for more information: <https://www.elmhurst205.org/resources/covid-19>

Our final runner to earn his uniform was Elijah Badeaux. Culture is an often used word that remains in a vision statement but is less seen in reality. We have worked hard to build a culture of support and inclusivity.
