September 10, 2021

Dear Parent Volunteers,

I know from past experience that many of our departments sorely missed the extra pair of hands that our parent volunteers provided in previous years, so we are happy to announce that PTA volunteers will be welcomed back into our building this year if they are able to follow specific mitigation strategies.

Given the circumstances with Covid and its variant there are requirements that have been put in place in order to volunteer at GHS during the 2021-22 school year. According to Executive Order 13D, all volunteers are required to be fully vaccinated and wear a mask while they are in the building. These strategies are non-negotiable for any adult who will have close contact with our students and staff.

Upon arrival at our school, all volunteers must check in at the security desk and then report to the Student Activities office. You will be issued a volunteer school ID card which must be worn at all times when in the building. At that time, each volunteer will be asked for their vaccination card for us to copy and keep on file.

I understand that many of you may be uncomfortable with this process, but I feel that it is in the best interest of all involved. We appreciate the vital role that our parent volunteers play in making GHS a great place to teach and learn, and we look forward to working with you again in the 21-22 school year.

Sincerely yours,

Ralph F. Mayo
