

Student Information Update

For an address change, you **MUST** provide proof of residency: Current Rental or Lease Agreement, Deed, Current Mortgage Statement, or HUD Settlement Statement. You must also provide the residential guardian's ID, that of the person completing this form.

Families who move out of the Lakota Local School District to another Ohio District during the school year may apply to remain in Lakota through open enrollment or may withdraw and attend the district of residence. Families interested in open enrollment must contact the Welcome Center for more information.

A separate form must be filled out for each student. Please complete all information on this form so that it is clear whether the information stays the same or has changed.
