**SAVE THE DATE:** The annual UHS Art Gala is an exciting event featuring over 80 Community and UHS Alumni Artists. Funds raised from this event contribute toward Educational Enrichment Projects which enhance the overall educational experience for all Unionville High School students as well as help fund local community outreach efforts.

Due to uncertainty surrounding COVID, the art gala will be held **virtually** rather than in person on Nov. 12-14th. Bidding for art will be done online with 30% of proceeds benefiting UHS. Plans are in place to display UHS Student Art with parents and relatives invited to attend around these dates.

More details to come!
