

**Suffield Regional FFA Friends,  
Family & Alumni  
OPEN to EVERYONE!!**

As the new school year begins, we would like to take this time to welcome you to the Suffield Regional FFA Friends, Family & Alumni. The Suffield FFA Alumni is much like a school PTO group. We are here to support our students in the Agriscience /FFA program. Our Alumni is made up of members past and present, as well as parents and friends of the Suffield Agriscience /FFA program. We would like to invite you to our monthly meeting and to join us on our group Facebook page. Not on Facebook, no worries, we also send information out by email. This will keep you included and informed as to what is happening throughout our Agriscience program & FFA Alumni year.

On Facebook? Ask to join our group Facebook page- Suffield Regional FFA Friends, Family & Alumni. We have made this group public so members can share events with family and friends however you do have to request to join. Please answer the questions we provided then submit your request to join. Hope you will check it out!

We hope you will consider participating in at least one of our fundraisers. All money that is raised by our members and families are directed back to the students in so many ways. Such as scholarships, awards, FFA jackets, food and drinks, National's trip and so much more. More information will be emailed ([suffieldffafamily@att.net](mailto:suffieldffafamily@att.net)) and posted on our group Facebook page.

The following Alumni Meetings are scheduled for the 2021-2022 school year. Everyone can attend. All meetings start at 7 pm in Mrs. LaFlamme's classroom, 508 A. A google meet option will be available and link posted on the Suffield High School page on the Agriscience webpage tab. Every meeting starts with a update by FFA officers about activities that have occurred and are planned followed by a program update by the agriscience director and there is always time to ask questions. The rest of the meeting time is devoted to planning upcoming events and may provide work tome for specific upcoming events. Alumni meetings are adjourned no later than 8:30 pm.
