**Welcome & Introduction**

Amy Boles welcomed all parents and thanked them for their support this school year. Amy handed out certificates of participation and a sticker that states "Proud to Be Bilingual" to the representatives.

**2018-19 DELAC Reflection**

Amy asked the reps what they valued from our meetings this year and if they had had ideas for next year. The reps stated that the information they were able to share with other parents was valuable and how they learned from each other by asking questions and how other sites ran their ELAC meetings. They learned about the changes with the new ELPAC test and being able to give input for the summer program. Ideas for next year included brainstorming ways to involve more parents and rouse interest in ELAC meetings by making signs or calls. Amy mentioned the CAFE conference and the reps said they would be interested in attending the parent workshops next year.

**DELAC Minutes**

Amy asked the reps to review the minutes from the April 4, 2019 meeting. No changes suggested. Jasmine Hernandez motioned to approve the minutes. Delmy M. Guevara de Herrera seconded the motion, all reps present agreed.

**The Local Control Accountability Plan (LCAP) Survey Review**

Amy shared data collected from the survey. 1013 people took survey- 91% was in English; 67% were parents and 26% teaching staff, rest made up of other groups. The survey asked for ethnicity in order to compare percentage of representatives taking the survey to the population.

Goal 2- Amy reviewed the result that came in and percent of votes that agreed with the actions and services: 81% said PD for ELs and 79% for foster youth, low SES (socio-economic practice), 77% for equitable funding for schools with higher student needs, 84% for intervention supports based on data, and 66% for after school safety nets/programs. Amy discussed the issue that not all sites are able to offer certain programs because teachers are not able to offer extra services. Some ideas to resolve the issue could be to bring in outside contractors to support programs or a Homework club to assist students. Additional ideas for goals are increase interventions for Tier 2&3, extend day program options, class size reduction, increased support staff, increase counseling, coaches' availability, instructional assistants, extra-curricular activities.

**Bilingual Updates 2019-20 Year**

TWBI at Del Roble will be TK-4th for 19-20 year. Christopher will start to change to a TWBI program with K next year. Edenvale will have a TWBI TK to support bilingual students. One-way bilingual immersion (TWBI) will be at Edenvale for K-4<sup>th</sup> and at Christopher it will be 1<sup>st</sup> -4<sup>th</sup>. Stipe is phasing out of the program with only 2<sup>nd</sup> -3<sup>rd</sup> next year but student have the option to continue with 4<sup>th</sup> at Christopher.

Amy gave the reps color copies of the revised Program Options for English Learners and the EL flowchart that will be available in school offices next year.

**Adjournment**

The meeting ended at 6:30 PM.
