REMINDER PARENTS: NO CARS IN THE BUS ROUND ABOUT

Any student drop off or pick up should not occur in the round about at the beginning or end of the school day. This area is for buses only so bus routes can be on time. Parents should drop of their student at the West Branch Library where they will enter through door 19 at the back of the school. Students who are eating breakfast should enter through the main entrance (door 1). Students who are not eating breakfast should proceed to the West side of the school building and will wait to enter the building in the back.

REMEMBER CALL THE SAFE PHONE IF YOUR CHILD IS ABSENT FROM SCHOOL

Health Reminders

Health Reminders

Please monitor the health and well-being of your student each morning. Do not send your student to school if their are experiencing COVID-like symptoms which, according to the Centers for Disease Control and Prevention are:

- Fever or chills
- Cough
- Shortness of breath or difficulty breathing
- Fatigue
- Muscle or body aches
- Headache
- New loss of taste or smell
- Sore throat
- Congestion or runny nose
- Nausea or vomiting
- Diarrhea

If your child has any of these symptoms they must stay at home. In order to return to school your child must be 24 hours fever free without the use of fever-reducing medication(s) and have one of the following to return to school:

- Your medical provider has determined your child has an alternative clinical diagnosis other than COVID-19 and has cleared your child to return to school.
- A negative COVID-19 diagnostic test completed.
- Your child has completed a quarantine of at least 10 calendar days from the first onset of symptoms.

Rapid COVID-19 Testing

Rapid COVID-19 Testing

During the 2021-22 school year, District 129 will continue to participate in BinaxNOW's approved COVID-19 testing program. This fast-acting antigen test is approved by the FDA and delivers results in 15 minutes. Having a consent and waiver form on file allows our health office to offer free BinaxNOW testing for your child in the event that they become symptomatic during the school day, while in attendance at school. Using the results of the test, we can then provide you with the necessary information to determine next steps to protect your family.

Should you wish to participate in the program, please complete the consent and waiver form linked below and get the form to the nurse at your child's school. Those who completed the form during the 2020-21 school year do not have to submit another form.

[BINAX Testing Consent & Waiver](#)

Throughout the school year, all students within District 129 actively take part in various school safety procedures such as evacuation, severe weather, and ALICE drills.

Providing a safe and secure environment for students and staff has always been the number one priority of School District 129. Detailed safety plans for all types of school emergencies have been carefully planned and will continue to be frequently practiced with staff and students throughout the school year.

Since emergencies can happen anywhere and at any time, School District 129 has also focused on supporting students and families while at home as well. This has been apart of the Stay Safe @ Home 129 initiative.

Washington Middle School
