Principal's Message

As you are aware, our week at Centaurus was disrupted while we responded to a report of an online threat. Please know that in this situation we were working directly with the Lafayette Police Department and BVSD security to evaluate and investigate the threat, and keep all of our students safe. In the end, the police were able to identify and charge the suspect, and we were able to resume our week. As always, if you see or hear anything that could compromise the safety of our students and community, please contact the police and BVSD security immediately.

While this situation did affect our week, specifically our attendance for a day, we were able to end the week on a positive note. Seeing all of our students together for the homecoming assembly was wonderful, and the positive energy from our students really showed the benefit of being in-person and resuming our traditions and celebrations. Please continue to partner with us in making this possible - make sure that your students are coming to school with their masks and please keep your students home if they are ill.

Thank you to everyone for your support and attention this week, and really for the entire start of the year.

Daniel Ryan

Fall Sports

Centaurus fall sports are in full swing! Here are some of our Warrior teams at practice.

Getting to know your Centaurus Team

Each week we will introduce a member of the Centaurus faculty or staff to our parent and student community. This week we would like to introduce **MAREN SCARBOROUGH**.

Hello Warriors!

My name is Maren Scarborough. I will be teaching physical science and biology this year. You may also see me out and about helping coach cross country. I grew up south of here in Westminster, Colorado and graduated from the University of Denver with degrees in Physics, Communication Studies, and Curriculum & Instruction. I was fortunate to start my teaching career in Jefferson County Public Schools and am so excited to continue here in BVSD!

My husband and I got married 3 times during the pandemic. Our official wedding day was during the April 2020 stay-at-home order and so the only other attendees in our living room were our two tortoises. In my free time, I enjoy running (hence the coaching) and playing the violin. I have a goal of running at least a half marathon in all 50 states. I'm always training for something, so ask me what state is next!
