PROGRAMS OF EXCELLENCE

In 2019, schools identified up to three Programs of Excellence areas as priorities. These priority areas are shaded blue and indicate the intent of the school to plan, implement and evaluate activities that support the whole child. Beginning in 2021-22, schools will be able to self-identify as Programs of Excellence at one of three levels – bronze, silver or gold – with input from staff, school leadership, and stakeholders. ABOUT THE OKLAHOMA SCHOOL REPORT CARDS

Report card measures displayed here serve as indicators of how public schools are serving students in a variety of areas. Measured at different points, indicators work together to provide a snapshot of school performance.

Note: Accountability-related aspects for the 2019-2020 academic year associated with the Academic Achievement, Academic Growth, Chronic Absenteeism, Postsecondary Opportunities, and English Language Proficiency indicators were suspended through a waiver granted by the U.S. Department of Education (USDE). As a result, data for waived indicators is not available. For more information on the waiver [SDE COVID-19 Waiver](#).
