### **STUDENT GUIDELINES & EXPECTATIONS**

It is the intent of the school to encourage students to correct undesirable/unacceptable/unsafe behavior, and attendance problems whenever reasonably possible. Renton High School has a zero – tolerance policy for weapons, fighting, gang related activity, and drugs/alcohol.

Students are expected to conduct themselves in a positive manner, including respecting Renton High School and Renton School District rules in a way that contributes to a positive school atmosphere (including physical environment). The Renton High School community expects appropriate behavior from all students every day.

We strive to utilize a progressive discipline system, based upon principles of restorative practices. Meaning, students requiring disciplinary action will be handled in an accumulative and progressive manner, with the “disciplinary action” not being the focus, but the act of restoration, and re-engagement for the student.

The goal of each intervention is to assist the student in identifying the problem, encouraging accountability, and working collaboratively to restore positive relationships with others and the school environment. Students will receive re-engagement support to minimize the amount of class time missed.

**Please review the following expectations and disciplinary actions. Please note, this is not an exhaustive list of expectations. Please contact your appropriate grade level administrator or Dean of Students with questions.**

**GANG RELATED ACTIVITY** – Per RCW 28A.600.445 a gang is defined as a group of people who interact among themselves, have identifiable leadership, take upon themselves an identity and/or a group name, claim a physical territory, and engage together in one or more forms of anti – social behavior and/or criminal activity on a regular or ongoing basis. When an issue of concern is present, the student(s) involved will be notified and asked not to display such symbolism again and items will be confiscated. Subsequent violation of this policy will result in disciplinary action. Direct involvement with gang activity on or near school campus will result in disciplinary action that may include expulsion.

**WEAPONS/SAFETY** – Possession, brandishing, or use of weapons or explosive devices (**real or imitation**) is in violation of Renton School District policy 4120, including, but not limited to firearms, dangerous weapons, mace, tasers, knives, and other items listed within that policy. During the appropriate time, students must have a hall pass to be in the hallway. Student’s without passes in the hallway will be returned to class. Repeat offenders will face disciplinary action that may include losing exit privileges for the remainder of the semester.

***SCHOOL DRESS REQUIREMENT/APPROPRIATE DRESS ATTIRE*** – Dress and appearance must not present health/safety problems or cause disruption. Students are expected to come to school or school activities well groomed, neatly and appropriately dressed. All students must wear shoes.

Clothing that carries a sexual, vulgar, violent, or offensive message, references the use of profanity, sex, drugs, alcohol, gang affiliation, etc. will not be permitted. Pants must be at worn at the waist (no sagging). Skirts, jumpers,

shorts and capris must be finger-tip length or longer. Students may not wear midriff-type apparel. Visible under garments, see-through, or revealing clothing is not acceptable. Holes and shredding on jeans, pants, etc. are not permitted without spandex underneath to prevent revealing bare skin. Head coverings that obscure the face are not allowed to be worn inside any building on campus for safety/identification purposes; the head covering must have an RHS logo, a college/university logos, and/or recognized sports team logos on it. This does not apply to religious head coverings such as a hijab. It is understood that individual teachers, in consultation with the school administrator, may restrict attire for safety and health issues. The administration has the authority to make changes at any time to the above dress code based on either safety or health or educational reasons.

If a student is found in violation of the school dress code policy, an effort by staff, collaboratively with the student, will be made to rectify the situation. If the situation is unable to be rectified, the student will not be allowed to enter the regular classroom and will serve the remainder of the day in In-School Suspension (ISS).

**PHYSICAL EDUCATION/GYM ATTIRE** - Suiting up for physical education class is required for class every day. Suiting up means physically changing from the clothing worn to school, to different athletic clothing, designed for physical activity.

**ELECTRONIC AND COMMUNICATION DEVICES** - Students are expected to bring only those items necessary to their educational tasks. District policy states that students with cell phones may use them before school, after school, and during lunch. At the discretion of the teacher, students may be allowed optional (not required) use of specified electronic devices. The teacher will clearly communicate how the device should be used and students must comply with the directions given and not use the devices during any other time in class. Electronic devices are not allowed during class time inside the classroom or in the hallway unless directed by the teacher. **Staff members may confiscate electronic devices when misused in any way.** *Electronic devices may not be charged in classrooms at school. If your device loses its battery charge, you will need to wait until you are home to charge it.*

**First Offense:** Warning and request by teacher to power off electronic device and put it away.

**Second Offense:** Confiscated by teacher for the remainder of the class period and returned to student at end of class.

**Third Offense:** Confiscated by teacher and given to Dean of Students. Dean of Students contacts parent/guardian and parent/guardian must pick-up phone.

**REMINDER:** Lost and stolen cell phones are NOT the responsibility of the Renton School District. We will NOT spend/use school resources to look for stolen cell phones. Any allowed electronic use is optional, so students are encouraged to leave personal devices at home.

### **ATTENDANCE POLICY**

Daily attendance in all classes is one of the most significant factors in a student's achievement at Renton High School. The following policy is designated to help keep students in school and increase their potential for success.

*ALL STUDENTS ARE TO GET AN TARDY SLIP FROM THE TARDY KIOSK IF ARRIVING MORE THAN 10 MINUTES AFTER THE BELL HAS RUNG.*

*If you are picking up your student during school, please sign in with the main office to arrange to pick up you student.*

A parent/guardian **must** notify the attendance office via telephone 425.204.3410, with a written note, or via e-mail to excuse student absences each time the student has an excused absence. A telephone call, written note, or e-mail is **required** from a parent/guardian to excuse an absence within 48 hours of the student's return to school or the absence(s) will **not** be excused. Unexcused absences may incur a loss of credit for that day in each class missed. Our automated phone messaging system will call the telephone number in Skyward to notify you know of your student's absence. Please call the attendance office at the number above if you are not receiving the automated messages when you know your student has missed a class.

Students eighteen and older may obtain a permission form from the attendance office to sign their own notes. This permission form must be signed by a parent/guardian and approved by an administrator. The note must contain the date (s) of absence(s) and the specified reason for the absence(s). Failure to submit a note for every period(s) missed is a misuse of

this right and may result in the loss of this privilege and/or disciplinary action.

**Per Policy and Procedure 3122**, (6/11/13) an absence will be considered valid if: the student participates in school approved activity or instructional program, illness, health condition or medical appointment, family emergency included but not limited to a death or illness in the family, religious or cultural purpose including observance of religious or cultural holiday or religious or cultural instruction, court, judicial proceeding or serving on a jury, post-secondary, technical school or apprenticeship program visitation or scholarship interview, state-recognized search and rescue activities, absence directly related to student's homelessness status, absence resulting in disciplinary action, principal and parent, guardian or emancipated youth mutually agreed upon approved activity.

Renton School District honors "family time" (short absences of 3 or fewer days) based on travel or significant lifetime events. Parent/guardian must submit a written request to the principal **prior** to the absence. Absences requested by parent/guardian that exceed 3 days should follow established Pre-Arranged Absence procedure. If the pre-arranged absence exceeds 20 consecutive days the student must be withdrawn, may not be eligible to earn credit, and will be included in the monthly enrollment count. Absences must default to unexcused until an excused absence is verified by a parent or guardian. Any absence that is or exceeds 3 periods in length will be counted as a full day absence for state reporting purposes. **Medically related absences are considered to be excessive at five (5) or more consecutive days. The school may require a parent/guardian to provide a note from their health care provider.**

**Students involved in after school activities are expected to attend a full day of school. Students who are absent part or all of the school day are not eligible to practice or compete unless permission is granted by the building athletic/activity director or principal.**

#### **Tardy Policy**

Any student arriving to school or class between one and nine minutes after the tardy bell rings is considered tardy and is expected to report directly to class (no stop at attendance office). Unless the student has an excused note from an Renton High

School staff member, the tardy should be considered unexcused and marked in Skyward when the teacher logs and saves attendance.

Student tardies are tracked automatically on a weekly basis through an attendance pull from Skyward. In a given 5-day period, students who accumulate tardies will receive school-based consequences.

**Please note:** Any student reaching nine or more tardies will lose off-campus privileges and the potential for restrictions on specified extra-curricular activity privileges.

Admin and security will follow a supervision schedule between classes to help support on-time arrival to class. Teachers can support the tardy policy by welcoming students at the door each class period and having posted an immediate Do Now activity for the students to complete. Teachers should provide warnings and reminders about the tardy policy to students when they arrive late to class. Teachers are encouraged to make phone calls to families after students have accumulated 3 tardies in their class and for a continued pattern of tardies. Teachers can contact the Dean of Students for any attendance concerns.

#### **Leave of Absence/Extended Absences**

In the event of a pre-arranged absence of more than three (3) consecutive days, it is recommended that a progress report be completed by each teacher and returned to the parent prior to the absence. A Leave of Absence form must be picked up in the attendance office by the student, completed, and submitted for to the attendance office for review. Please recognize that absences can have a detrimental effect on a student's accomplishments and progress and should be communicated to the parents in as specific terms as possible.

If the absence is excused, the student shall be permitted to make up all missed assignments outside of class, under reasonable conditions and time limits established by the teacher, except in classes with a high degree of in-class participation where a student's grade may be affected because of the student's inability to make up the activities conducted during the class periods. Check your syllabus/classroom contract carefully or ask specific teachers about their excused absent work policy and timeframes. If the extended

absence is determined to be unexcused, the student will not be allowed to make up missed work.

Any student who is aware of reasons that will cause him/her to be absent from class(es) should make arrangements with his/her teachers prior to the absence for appropriate make-up work.

### ***Late Arrivals/Leaving Early***

For students' safety and the school's liability, **all students must check in and/or check out in the attendance office when arriving late or leaving campus early. Verification from a parent is required before a student leaves campus during the day.**

Students arriving at school after the initial 10 minutes (7:30 a.m.) **must** report to the attendance office and complete a Tardy Slip from the Tardy Kiosk. This includes a student who arrives at school between classes but has missed a class. Once a student has entered a tardy into the kiosk, they must arrive to class promptly. Failure to follow this procedure may result in disciplinary action.

### ***Early Dismissal***

Leaving school early is possible only in emergent situations. *If you are picking up your student during school*, please sign in with the main office to arrange to pick up your student. Please bring ID and ensure you are listed in Skyward as "family" or "emergency contact". Be prepared to write and sign a note stating the reason for the early dismissal to ensure your student is safe and our attendance records are accurate. On the day following the early dismissal, the student must present an Admit to Class slip from the Attendance Office to his/her teachers.

If a student becomes ill, he/she **MUST REPORT** to the Health Clinic (Nurse). **Under no circumstances is a student to leave campus without prior permission from a parent/guardian.**

### ***Truancy***

Unauthorized absence from school/class(es) at any time other than during lunch break will be considered a truancy. In instances of truancy, the student may not be allowed to make up work missed. Regarding the BECCA Bill, which is Washington State's truancy law, if a student reaches seven (7) unexcused absences in one (1) month or ten (10) unexcused absences total in

a school year, it will cause the school to file a BECCA petition with the Juvenile Court System for Truancy. A student missing three or more class periods in a school day constitutes a day of absence.

The school takes measures to provide interventions with a student's developing attendance concerns. Interventions include: a letter home to families notifying them of their student's unexcused full day absence at 3, 5, and 10 days, daily automated calls notifying families of unexcused absences from class, meetings with parent/guardian and student for attendance contact and supports the school may be able to provide.

Disciplinary action for truancy may include, but are not limited to, parent/guardian telephone contact, detention, and/or Wednesday School detention.

**DISCLAIMER: The attendance policy will be reviewed at the beginning of each school year for possible changes and/or new regulations.**

## COUNSELING INFORMATION

**COUNSELING CENTER** – The Counseling Center offers specialized individual and group counseling and testing services for students. A staff of professionally trained counselors is available to provide confidential assistance on an individual basis to students with educational, vocational, personal and social concerns. While you are responsible for knowing the following, your Counselors can help you with these items:

1. Helping you to set up your four-year program
2. Describing the contents of courses open to you
3. Knowing the number of credits you have earned
4. Informing you of your graduation requirements
5. Telling you if you have/have not met testing standard required to graduate and be career-college ready.

Your counselor can also help you with personal problems arising from social, home, or classroom situations. Please feel free to seek assistance by signing up to see your counselor on the sign-up sheets in the counseling office.

**SCHEDULE CHANGES** – Students are expected to carefully plan their course requests and to register for the correct/appropriate classes during the regular registration process. Schedule changes after the normal registration process is completed will be limited and allowed only when a valid educational need is evident. **Schedule changes will not be allowed without administrator approval after the 8<sup>th</sup> day of each trimester.** *Students must always report to their assigned class and wait to be called to the counseling office to discuss their schedule change.*

In general, when a student enrolls in a course, it is considered a commitment to take and complete the course. The schedule change is only completed when the counselor finalizes the process with the student. ***If a student elects to drop a class after 9 days, a “W” will be earned for the class as a trimester grade. Students withdrawing from a class after thirty (30) days will receive a grade of “F” on the transcript. There may NOT be another class available to take that period. Note: Absences carry into the next class on any student-initiated schedule change. See your counselor if you have questions about your classes.***

### GRADE LEVEL PROGRESSION

To assist students to focus on academic success, the following minimum credits are suggested for promotion

to the next grade level and are considered “on – track to graduate.” Students earning fewer credits should meet with their counselor to determine possible options to graduate on time.

Freshmen (9 <sup>th</sup> ) to Sophomore (10 <sup>th</sup> ):	5.5 credits
Sophomore (10 <sup>th</sup> ) to Junior (11 <sup>th</sup> ):	11.0 credits
Junior (11 <sup>th</sup> ) to Senior (12 <sup>th</sup> ):	16.5 credits

**GRADUATION REQUIREMENTS** - To be eligible for graduation, students must meet both district and state credit and testing requirements. It is the vision of Renton High School that our students graduate on-time and with numerous post – high school options.

Please see your counselor to determine the course work and state testing requirements for both graduation and to be college and career-ready upon graduation.

**NOTE: A one-trimester course equals 0.5 credit with 3 trimesters Requirements for graduation: 5 classes x .5 credit per tri 2.5 credits x 3 tris = 7.5 credits possible per year. Class of 2018 – 2019 and 2019-20 - # of credits needed to graduate: 22; class of 2021 and beyond. # of credits needed to graduate 26.**

## ACADEMIC EXCELLENCE

**INTERNATIONAL BACCALAUREATE (IB) WORLD DIPLOMA PROGRAM** - A program of studies for students who wish to pursue a rigorous academic program and the coveted IB Diploma. This is a program to be completed in the junior and senior years. Taking rigorous (Honors) courses during grades nine and ten will help prepare students for the IB Diploma program and IB Certificate opportunities. See Mr. Malcolm Collie, Renton High School's IB Coordinator for more information.

**HONOR ROLL** - To be eligible to be on the honor roll for a given trimester, a student must be enrolled in a minimum of 4 classes with an earned GPA of 3.200 or above.

**GRADE REPORTING PERIODS**- Course grades are reported to students and their parents/guardians on an ongoing basis through our online system, Skyward. Using these password-protected online tools, students and their families may access grades in any current

class 24 hours per day, 7 days a week. In addition, course grades are reported to parent/guardian in accordance with the Renton School District's grade reporting calendar.

**GRADING** - Course syllabi are an important resource in understanding grades for each individual class, department, and teacher. Grades are both used as a measurement of student progress and as a feedback tool for teaching and learning.

**GRADE DISTRIBUTION**

Letter Grade *	GPA	% *

D	1.0	60-66.99
F	0.0	0-59.99

**\*Or as published in individual teacher syllabi.**

**Late Work Policy-** The Renton High School late work policy determines that classwork assigned by a teacher that is not completed within the expected timeframe or an assignment that is not turned in on a due date set by a teacher is late. Late work policies will be communicated to students in individual classrooms. At minimum, late work can be submitted before the end of the unit with a reduction in grade/score not to exceed 50% by the date of submission. Late work will not be accepted after the completion of the unit. Make up or retake opportunity will not be provided for such late work.

*Our grade distribution system is based on the State Standardized Transcript. The standardized transcript shall be based on a marking/grading system that*

*reports the marks/grades earned by students in courses as follows:*

**ACADEMIC HONESTY-** Renton High School's academic honesty expectation is that students will exhibit mature, responsible, and honest characteristics, and will not cheat, copy, plagiarize, or falsify documents. Furthermore, staff and/or students will not condone or assist these behaviors. Academic dishonesty discredits the mission of Renton High School and endangers the academic career of the student(s) involved. Academically honest Renton High School students complete his/her own work, seek help from teachers, parents other students and friends (after school tutoring, peer tutoring, Homework Help Center, King County Library system, study groups, etc.), acknowledge sources of direct quotations (cite the source), acknowledge information taken from books, print material, interviews, internet, etc., and know what constitutes cheating and abides by the rules, bring the effort of others who cheat to the attention of school officials, and follow all exam rules

**Academic Dishonesty Defined** – Renton High School defines academic dishonesty as contravening procedures protecting the integrity of a given assignment, project, examination or evaluation. Academic dishonesty reflects poorly on the academic integrity of Renton High School. The administration and staff consider it a serious offense. If a student is unsure about what would be considered “cheating” or “plagiarism” it is the responsibility of the student to seek clarification from teachers, staff, peers and parents.

**Academic Dishonesty or Cheating includes** but is not limited to: submitting unoriginal material as your own. Working on or completing an assignment project, examination or evaluation for another student, use of unauthorized devices, tools, or information to work on or complete an assignment, project, examination, test, or evaluation, falsifying information on an assignment, project, examination, or evaluation, working with others without permission on an assignment, project, examination or evaluation.

**Plagiarism** occurs when using any source appearing to directly or indirectly influence a student's work without properly identifying it such as, use of words or images of others without quotation marks or proper acknowledgement, using or submitting previously submitted work by themselves or another student.

**Collusion** is the act of helping or allowing another student to be academically dishonest. This could include but is not limited to allowing a student to copy your work, telling a

student what was on an exam, and letting another student turning in your work as their own.

**Consequences for Academic Dishonesty:**

1<sup>st</sup> offense in any class - the student will initially receive a zero for the given assignment, project, examination or evaluation. The student will have the option to receive a tutorial on academic honesty and then re-do the assignment within a calendar week in the presence of a teacher for partial credit up to 70%. The student will also receive a Wednesday School detention. If the student does not choose to pursue this remediation, the score for the assignment will remain a zero.

2<sup>nd</sup> offense in any class - The student will receive a zero for the given assignment, project, examination, or evaluation. The student will also receive a Wednesday School detention.

3<sup>rd</sup> offense – If a student commits a third offense of academic dishonesty, he or she will receive up to a failing trimester grade for the class and may result in disciplinary actions.

**ACADEMICS/SUPPORT**

Renton High School aims to support all students in their academic growth and future goals. It is encouraged that students have a designated time at home each day to complete assigned homework. Families can access grades and other important information through the link for the “Skyward Family Access” on the RHS webpage: <http://www.rentonschools.us/rentonhs>. Families can also access important information about classes through teacher websites (link on the Renton High School website) and through email/phone contact with your teachers.

Students have access to after school support. Homework Help Center starts at the beginning of October and includes after school tutoring and study support every Tuesday and Thursday in the RHS library until 4PM. Students can voluntarily attend HHC or teachers can assign it. Students must be working on academics to stay in HHC. Students can also access computer for help in their tech classes on Monday and Thursday until 4PM. Students may also be assigned to our “Stay on Track” and “Back on Track” academic support programs. These programs run during Advisory and on some Saturday’s to support students in completing missing assignments in core classes. Students are notified when they have been assigned.

**International Baccalaureate (IB) Diploma Program**

Renton High School is an IB World School and is proud to offer International Baccalaureate classes to all students in 11<sup>th</sup> and 12<sup>th</sup> Grades. This two-year, rigorous college and career preparation program is highly regarded around the world and is looked on favorably by college admissions officers across the United States and internationally. Research shows that students who take IB classes have higher retention rates in college, better grades, and are more likely to complete a 4-year degree on – time than students who have not taken IB classes. Many colleges additionally give advanced standing and credits for students who earn the prestigious IB Diploma and IB single subject Certificates. Juniors and Seniors can take IB classes in Language Arts, Spanish, 4 Social Studies subjects, 3 Sciences, Mathematics, and Art. To earn the IB Diploma, students take 6 IB classes, a unique Theory of Knowledge class, complete a 4,000-word research paper, and engage in Creativity, Physical Activity, and Service Projects. IB classes are open to all students and require a written commitment form signed by students and parents. We recommend that students who are considering attempting the full Diploma Program take Honors classes in the 9<sup>th</sup> and 10<sup>th</sup> grades. IB single subject certificates and the IB Diploma are awarded in addition to a Renton High School Diploma.

More information about IB can be found at [www.ibo.org](http://www.ibo.org) or from Renton High School’s IB Coordinator, Malcolm Collie.

Students must sit in their assigned area with their advisors/teachers. Food, drink, and backpacks are not allowed in the gym or the Performing Arts Center.

There are primarily two types of assemblies—pep assembly and general assembly. The pep assembly is a spirited and louder assembly while the general assembly is just the opposite, yet good standards of conduct are in order at both types.

Show your appreciation by giving generous and appropriate applause. Yelling, booing, catcalling is inappropriate.

Once the assembly has started, you are expected to remain seated until the assembly has concluded. No one should enter or leave while the assembly is in progress. Assemblies will be immediately stopped, and students removed for inappropriate behavior.

**TRANSPORTATION EXPECTATIONS**

**BUS SERVICE ELIGIBILITY** – Bus service may be provided for students who live outside of one radius mile from their home school. Exceptions are made only when hazardous conditions are determined by the Renton School District. To change an assigned bus and/or stop for the day, students must obtain a bus pass from the main office. If there is a permanent change of address, please notify your school to obtain a bus assignment. Permanent changes may take up to 5 school days to process.

**BE PROMPT** – Bus passengers should arrive at the bus stop no **sooner** or **later** than **five minutes** before the bus is scheduled to arrive. Buses will promptly depart all schools seven (7) minutes after dismissal times. **For safety, once bus doors are closed, drivers will not stop for late arriving students.**

**SNOW DAYS** – Emergency routing information is available online at [www.rentonschools.us](http://www.rentonschools.us). Local radio and TV stations will provide up-to-date information each morning regarding road conditions. Ask the bus driver in advance for emergency route information.

**DRIVER AUTHORITY** – The bus driver has full authority over the passengers on the bus, including seating assignments.

**PASSENGER EXPECTATIONS** – Safe, respectful conduct is always expected of all passengers:

- Obey the bus driver’s instructions when requested
- Remain seated
- Respect others and their property
- Keep your hands to yourself
- Keep noise level down

**ITEMS NOT ALLOWED ON BUS**

**The Renton School District reserves the right to suspend\expel transportation privileges for any student who violates bus rules. Suspension or expulsion from bus riding privileges will include all school buses, activity buses, and field trips. Students riding Renton School District buses may be subject to continuous video and audio monitoring.**

**TRANSPORTATION DISCIPLINARY PROCEDURES** – When, in the opinion of the bus driver, a serious rule violation occurs, or when the efforts to deal with less severe violations are unsuccessful, or a pattern seems to have developed, a school bus incident report will be initiated. The intent is to maintain good order and a safe environment for students riding buses to and from school or school sponsored activities, as well as to notify parents of the misconduct of their children. **Students in grades 6-12 will be denied bus riding privileges until the Incident Report has been signed by a Parent/Guardian and returned to the bus Driver.** Serious or persistent violations will result in progressive discipline. The age and experience of the student will determine how many progressive steps are appropriate. Certain activities may result in immediate suspension from bus riding privileges. These include but are not limited to:

- Fighting on the bus
- Obscene gestures or profanity directed at the bus driver or others
- Throwing objects in or out of the bus
- Any part of the body extended outside of the bus

## Tobacco-Free Schools - Fact Sheet for Parent/Guardians

### RENTON SCHOOL BOARD POLICY

It is the policy of the Renton School Board to prohibit the use of all tobacco products by staff, students, visitors, and community members in or on Renton school district property, on school district-sponsored transportation, and at school district-sponsored events. The Renton School Board also prohibits the possession of tobacco products by students under the age of eighteen in or on Renton School District property, on school district-sponsored transportation, and at school district-sponsored events.

### TOBACCO USE AFFECTS ACADEMIC SUCCESS

Not only can experimentation with tobacco result in a lifelong addiction, but it is also related to poor academic performance and other high-risk behaviors. Many physical changes occur in the brain and body as a result of tobacco abuse. These physical changes can make learning and concentration more difficult and can negatively affect school performance. Students who use tobacco are:

- 3 times more likely to get Cs/Ds/Es
- 4 times more likely to skip class
- 4 times more likely to be suspended from school
- 8 times more likely to binge drink
- 21 times more likely to use marijuana

### TIPS FOR TALKING WITH YOUR CHILD ABOUT TOBACCO

Parents are the #1 influence on whether their child chooses to use alcohol, tobacco, or other drugs.

#### 1. Find the Time to Talk

The sooner you start talking, the better. Address the subject when you see it on TV, in movies, or in magazines.

#### 2. Be Direct

Say, "I don't want you to use tobacco." Tell your child your reasons why not. They'll appreciate your honesty and guidance.

#### 3. Talk About the Real Facts

Just saying, "Smoking is bad for you," isn't enough. Young people are more likely to listen if you give them facts. Don't just talk about cigarettes – give them facts about other tobacco products like mini-cigars, hookah, chew, e-cigs, and vaping.

#### 4. Focus on the Social Issues

Young people may care more about getting bad breath and smelling bad than about the health risks. Help them understand the financial costs as well. Remind them that most teenagers do not use tobacco.

#### 5. Teach Them to Say No

Help them think of what to say if they are offered tobacco. Practice with them – pretend you are a classmate asking them to smoke. Ask them to come up with several responses and teach them when to walk away. Remember to praise their efforts.
