MAY 2018

# CHAPEL

---

## OPENING

*This May, we opened the newly-renovated chapel, where we held our Senior Chapel, Eighth Grade Promotion, and Baccalaureate Ceremony for our graduating seniors. Our upper school students will use this beautiful space regularly for daily convocation and chapel, and with seating for almost 900, our entire student body and faculty will be able to gather for all-school chapels. The chapel will also be used for some band and choral concerts as well as other community events. We are so excited for this new space in the heart of our campus and what it will mean for our community.*
