LOVE in
ACTION 

Romans 12:9-10

FROM OUR SENIOR PASTOR

Dr. Michael T. Whitson
Senior Pastor
First Baptist Church

Friends and Family of Metrolina Christian Academy,

The class of 2021 was one that brought mixed emotions to me personally. First was the pride and joy of seeing this class navigate with excellence the uncertainties of the year. This class rebounded from the previous year's near shut down because of COVID-19 and reclaimed the sure footing of this institution proclaiming, "Our God is Able".

Millions of dollars of scholarships were claimed for their educational futures while others were called to the military and other wonderful areas to provide and serve. All this can be attributed to their resolve and commitment to Christ and His Spirit leading in their lives.

Many accolades go out to the powerful influence of this great faculty and staff. Their vision, leadership, passion and calling to the task is entirely welcomed and obvious. One only has to walk down the halls, attend a sporting event or sit at lunch to encounter the deep love and respect that the students display for them. Every classmate knows that these leaders are there because of a divine calling and God-given desire to enable students to be successful in life.

Now the bitter in the bitter/sweet year. This was my last grandchild to graduate.

I love this school!

FROM OUR HEAD OF SCHOOL

Rev. Rick Calloway
Head of School
Metrolina Christian Academy

2020-2021 was a great year in the life of Metrolina Christian Academy. Even though it was an unusual year as we dealt with a lot of restrictions and limitations from the Coronavirus. Despite all this, our students, our families, our faculty, and our staff rose to the occasion to make the most of our school year.

In the past 15 months, our school has achieved re-accreditation, opened a complete virtual academy almost overnight, operated five days a week in-person learning in a pandemic, maintained and grew excellence in our program, continued forward with all extracurricular activities, and loved our students as Jesus would!

What a year this has been. God has been so good!!!! One of the best parts of this school year is that 131 students received Christ on our campus even during a pandemic! What a blessing it is to be in a place where we are so regularly able to see God move so powerfully.

Our school theme this has been *#loveinaction* and our theme verse was Romans 12:9-10.

"Don't just pretend to love others. Really love them. Hate what is wrong. Hold tightly to what is good. Love each other with genuine affection and take delight in honoring each other."

I have been blessed to see the love of Christ bind us together as we traveled through this unusual year. I was also blessed to see our students and staff pour the love of Christ out to those hurting in this difficult year.

In this unusual year, our academic programs and students' scores have continued to grow. We are proud of the excellence that happens every day on our campus.

Our 97 seniors from the Class of 2021 have left a mark on the MCA campus. What a blessing they have been to our school with their lives and testimonies. They are such an academically gifted group but more importantly their love and passion for the Lord was so evident. Now, they are transitioning to the next stage of life where I am confident that they will leave a mark for Christ.

Finally, the Cornerstone Fund of 2020-2021 made such a difference for the cause of Christ. The Cornerstone Fund has helped us to make so many more enhancements to our program as you will see in this Annual Report. Through the generous gifts of so many, the Cornerstone Fund is making a difference that will impact hundreds of students with the life changing message of Jesus Christ.

Will you pray about how you might be involved in making a difference for the cause of Christ here on our campus? Our next educational building and track and field facility are set to be under construction soon, and we need more partners who will help us to reshape our campus and do so debt-free.

As we turn to the future, we are more excited than ever to see what God has in store for our school. I am convinced that God has so much more planned for us as a school and my prayer is that we trust, follow, and obey Him as never before.

OUR MISSION

To lovingly lead and equip students for Kingdom living.

OUR VISION

To have students graduate with a Biblical worldview based upon established spiritual disciplines, sound academic thinking, and appropriate skill development that enables them to move into their adult experience with the character and tools to be equipped for service in the Kingdom of God.

OUR PURPOSE

The purpose of Metrolina Christian Academy is to provide Christ-like love, promote a Biblical worldview, pursue excellence in education and partner with our families.

CLASS OF 2021

"Dear Class of 2021,

I hope what you take away today is that even though our perspectives are limited, God's never is. The lessons we've learned and experiences we've had at Metrolina have been integral in forming our Biblical worldviews and I pray we carry them with us into the rest of our lives. Our lives are letters to God, and letters to others. I hope we are proud for people to read them, and that the main theme people see in them is Christ's love.

Let's be people that we in the present can be proud of in five years. To all those who have been a part of starting and forming these letters, thank you.

And to my classmates, thank you for allowing me to witness and share in your stories at Metrolina, and thank you for making our time here so special. May God bless you so abundantly, and may He be with you every word of the way as you continue writing your letter."

- An excerpt from Class of 2021 Graduate, Skylar Guhl's speech at Graduation on Friday, May 28th, 2021

"For we are His workmanship, created in Christ Jesus unto good works, which God hath ordained that we should walk in them."

ACADEMICS

“

During the 2020-2021 school year MCA was able to complete the standard driven, biblically integrated curriculum program via 5-day seated instruction while simultaneously serving virtual learners with excellence. The MCA instructional staff continues to develop and implement innovative instructional methods which have produced indicators of high levels of student achievement.

After reviewing the standardized IOWA data representing the 3rd - 7th grades, our MCA students performed well above the national average with was as much an 11% increase in some areas. MCA 3rd graders as a whole reached the 77% national average in complete composite scores, a profound achievement. This data, coupled with the Upper School standardized testing data, (where our students once again scored well above the national average), is a critical and strong indicator that our MCA curriculum and instruction program is aligned with the mission to pursue excellence in education. To God to be the Glory!

-Mika Edwards, PhD | Director of Curriculum and Instruction

Metrolina Christian Academy believes that the Bible is the inspired, infallible word of God; the source of absolute truth through which a biblical worldview is formed and the standard for living. Christian Education is a comprehensive educational program where all disciplines are taught through the lens of scripture.

At MCA, we work with our families to provide an educational setting that nurtures each student's spiritual, academic, physical, and emotional development. Our desire is to prepare students for the 21st century, and to send them out on mission for the kingdom of God.

“That the generation to come might know them, even the children which should be born; who should arise and declare them to their children. That they might set their hope in God, and forget not the works of God, but keep His commandments.”

-Psalm 78:6-7

FAITH

By his divine power, God has given us everything we need for living a godly life. We have received all of this by coming to know him, the one who called us to himself by means of his marvelous glory and excellence.”
- 2 Peter 1:3

“I believe with all my heart that God has given you everything you need for this life in the person of Jesus Christ. Some of those greatest gifts from Him are your parents and your family, friends, and a foundation from your time here.

There are 3 things that I am praying you will hang onto as you leave MCA. First, He has given you the promise of a backbone. My heart is that you will find your strength and courage in the Lord as Deuteronomy 31:6 says. The Lord will go before you and never fail you.

He has also given you the promise of a wishbone. He has big plans for you, and He wants you to dream big in Him.

And finally, He has given you the promise of a funny bone. I am convinced that He wants you to have the time of your life along the way. God has given us the enormous gifts of laughter and joy. I pray that you will claim them as you head out into life’s great adventure.

I am grateful that God allowed us to be a part of your lives. We love each of you and are very proud of you. You have exemplified what it means to be a Metrolina Warrior!”

- Rick Calloway, Head of School, speaking to Class of 2021

131 students made a profession of faith

8 student baptisms

30 chapel services

For the Class of 2021, the idea of being a Metrolina Warrior has proven to be more than just a mascot.

Here are a few of our seniors’ sharing what it means to be a Metrolina Warrior:

“To me, being a warrior means representing God in every situation by displaying courage, integrity, and leadership.”

“There is no simple definition of a warrior, to me it is a lot of things. Most of all it is what I am proudest to call myself after many years at this school. A Warrior for life.”

“To me, being a warrior means having an unwavering character and being intentional in your everyday relationships.”

“For me, being a warrior means holding yourself to a higher standard.”

FINE ARTS

DANCE

MCA's dance program is designed to help students cultivate and grow their God-given artistic gifts and talents and to discover the art of dance as a form of worship.

The 41 students in this year's dance program showcased their talents and glorified God with their end of year recital performance, entitled, "This is Living". Over 300 family and friends were in attendance for this final performance. One attendee had this to say about the recital: *"It was a beautiful and God-honoring performance!"*

THEATRE & CHOIR

The mission of the MCA theatre program is to inspire students to achieve their God-given potential in theatre through excellent productions and classes, in a professional and challenging environment. Below are some highlights from our Theatre program:

- The MCA Theatre Program held 3 onsite productions of *Cheaper by the Dozen* on April 22nd, 23rd, and 24th. Two showings were sold out!

The MCA Choral Music program is committed to refining students' musical abilities to equip them to use their ministry of music in a church, as a career, or as a pastime. Below are some highlights from our Choral Music Program:

- The High School Honors Ensemble received a Superior Rating with only 2.5 points away from a perfect score.
- The 6th Grade Choir won "Best School Entry" in the Union County Christmas Parade.

VISUAL ARTS

Students from preschool through 12th grade have the opportunity to explore Visual Arts both academically and hands-on within a Christian framework. Below are some highlights from our Visual Arts program:

"By watching the godly example of your coaches, you'll learn how to be a leader and how to be a strong competitor, in the name of Jesus."

-Skylar Guhl, Class of 2021

Although our school year looked different due to COVID related protocols, our student-athletes were still able to participate throughout the fall, winter and spring sports season - that's 30 teams practicing and competing. Through countless temperature checks, wearing masks and playing in front of limited spectators our student-athletes remained committed to excellence by honoring Christ through their sports.

Ronnie Plyler, Athletic Director, shared his thoughts on the impact of COVID, "with everything changing, we wanted to remain a constant in the lives of our student-athletes and their families by continuing to build His Kingdom through athletics here at MCA."

*"The grass withers, the flowers fade but the word of our God will stand forever."
- Isaiah 40:8*

Each year the MCA Athletic Department establishes biblical expectations for our student-athletes, their families and for the sports seasons, and 2020-21 was no exception. The focus throughout the school year for athletics was to:

- Be Recognizable - [Matthew 5:16](#)
- Be a Rejoicer - [Psalm 118:24](#)
- Be a Blessing - [Genesis 12:2](#)

MCA FAMILIES

THE HONEYCUTT FAMILY

We love Christian education, and we want our children to know God. It's important for us to know that what we say at home is also being replicated and reinforced at school, here at Metrolina.

We want our children to learn spiritually as well as academically, so we want their teachers to have the tools and resources necessary to be strong in all areas. That's why our family gives to Metrolina - to help advance the mission of the school, because we know it helps so many kids, not just ours now, but hopefully even after our kids have graduated.

THE HAMILTON FAMILY

We feel a Christian education is the best foundation we can give our son. The most important job we have as parents is teach our son to live a Godly life. Having him at a Christian school allows him to do this freely while growing in his faith.

Teachers and Coaches at Metrolina continually give above and beyond. Their number one priority is nurturing students and guiding our students spiritually. We witness the impact they have on our son and other students every week. We see him continue to develop integrity and honesty. We see a child who isn't ashamed of his faith and is willing to share with others. We know for a fact he is going to be well equipped for life after Metrolina.

We are very blessed to be able to give to the Cornerstone Fund. This is our chance to give back what God has blessed us with. Now is the time to invest in our children more than ever. Those who have contributed in the past have helped to build Metrolina to what it is today. We now have the opportunity to contribute to what it will become in the future. We support the Cornerstone Fund because it allows for improvements and other activities that might not be available without raising tuition.

THE BANNISTER FAMILY

We have been a part of the MCA family for over 9 years. During this time, our family has added four grandchildren and a son-in-law that teaches in Upper School. Our family knew from the very beginning that we had to be a part of this school!

I have often said that there are not many fun things with getting older BUT there are a few things that you receive that are simply amazing. Let me name four that give us great joy and unconditional love: our grandkids! Colt, Cooper, Knox, and Kinzley; from 8th grade all the way down to Kindergarten.

Our grandkids are loved and cared for by EVERYONE that is part of this school. Everyday they receive an unbelievable Christian education from GODLY people. This is just one of the reasons our family supports and gives to MCA.

THE BELLUZ FAMILY

We chose MCA when I was still pregnant with Ben. He has been a Metrolina Warrior since he was 8 weeks old and we hope to see him graduate from here.

A Christian Education was always important to us because we want Ben to always keep God first in

everything he does. We want Ben to have a strong foundation in a world of shifting morals and values, and to understand the importance of serving others and the community, and we feel he gets all of that plus so much more at MCA.

As a family, we have seen many great things that the Cornerstone Fund has made possible for the school and the students. We feel that gifting to the Cornerstone Fund is essential in this rapidly changing world to ensure our kids have everything they need to ensure a safe and proper education. We're thankful for the Cornerstone Fund and the opportunity to give back.

PROJECT SERVE

Love must be sincere. Hate what is evil; cling to what is good. Be devoted to one another in love. Honor one another above yourselves. - Romans 12:9-10

"With a small handful of on-site volunteers following safety guidelines, and many, many gracious parents sending in items and giving monetarily behind the scenes, the Hospitality Team was able to live out this year's school theme, "Love in Action", to our MCA teachers and staff.

Each month, beginning in September, the Hospitality Team provided a free and fun themed meal and door prizes for all 160 staff members. During Staff Appreciation Week, we were also able to bless them daily with delicious food and treats. I pray they felt our love conveyed and am thankful for each and every staff member that stayed the course during this tough and unusual year!

Thank you as well, Hospitality Team, for all your hard work and showing "Love in Action" to our wonderful staff this year."

-Leslie Reynolds, MCA Hospitality Team Coordinator

GIVING

Ms. Dana Bostic
 Director of Advancement
 Metrolina Christian Academy

The 2020-21 school year marked another year of Kingdom education at Metrolina Christian Academy - our 28th. It also marked some very challenging moments as we navigated through the protocols associated with COVID. However, during it all, the Lord was ever present and allowed for a safe return to in-person learning. To God be the glory, great things He has done!

Our school theme for the year was *“Love In Action”*, and we drew our inspiration from **Romans 12:9-10** :

“Love must be sincere. Hate what is evil; cling to what is good. Be devoted to one another in love. Honor one another above yourselves.”

This was never more evident than in you, our stakeholders - Parents, Faculty and Staff, Grandparents, Alumni and Friends who actively supported the MCA mission. You displayed what love in action truly looks like through your generous investment of time, talents, and finances - all of which made it possible for Metrolina Christian Academy to continue to grow after 28 years. We are excited to share that we exceeded our financial goals for The Annual Cornerstone Fund - an excellent marker that you believe in the work we are doing for the cause of Christ.

During the year, you had many opportunities to invest your resources in Kingdom education at Metrolina Christian Academy. Whether you contributed to the Cornerstone Fund Kick-Off Event, served as a Community Partner or an event sponsor for the Golfers’ Challenge, supported the Boosterthon Dance Fit or designated a gift to a specific project, please know your generosity didn’t just provide ‘more things’. You invested in the lives of young people who are being trained to be world changers for Christ.

Because of you, MCA is fulfilling our mission to equip young people for Kingdom living, who will impact their homes, churches, communities, and beyond as Warriors for Christ. You are leaving a legacy... *“so that the generation to come might know Him.” - Psalm 78:6*. And that legacy lives out in the 131 students who accepted Christ as their Lord and Savior and so many more students grew in their personal relationship with Christ during the school year!

Thank you for being *“Love In Action”* for Metrolina Christian Academy! Your support advances our mission.

“

During my 13 years at Metrolina, I have been blessed to have been taught by the most kindhearted teachers and have made some lifelong friendships. I am so thankful to have Metrolina as my foundation. Everything from weekly chapels to daily classes have given me a different perspective. Now, I feel prepared to go out and embrace God's plan for my life

Growing up here at Metrolina I have gained so much knowledge, and learned more about God than I ever could at a public school. Now more than ever, I realize what a great blessing it has been to be able to attend a Christian school where I had the opportunity to learn, grow and see how important it is to have a relationship with God.

I know that when I am faced with challenging situations and circumstances that I will stand out with how I react, or when people come to me for advice I will have a different look on life because I am looking at these situations with the eyes of Jesus.

2020-21 COMMUNITY PARTNERS

Metrolina Christian Academy's Community Partners Program provides businesses with meaningful opportunities to support our students in all areas on our campus – academic programs, athletics and fine arts – while also offering marketing access to the entire MCA community. Through digital (website, email and social media) and print media, signage at major events and more, MCA Community Partners can demonstrate their support while advertising their services to our school families and friends.

The MCA Community Partners Program offers several levels of sponsorship with a wide range of marketing benefits customized to support your business and its goals. As an MCA Community Partner, your business will receive broad-based visibility on MCA's campus for the length of the school year. If you are interested in joining our 2021-22 Community Partners, please visit metrolinachristian.org/support-mca/community-partners-program

Below is a listing of our 2020-21 Community Partners. Thank you to each of them for their support of the students of Metrolina Christian Academy!
