B. PUBLIC FORUM

Listed below are the procedures for addressing the School Board on a topic of interest or concern.

1. Speakers must reside in the District, be a guardian of a student(s) in the District, be a student in the District, or be employed by the District. The School Board will give priority to individuals who wish to address a specific item that is on the agenda for that meeting. After this priority has been applied, any remaining openings to speak - up to the total of ten individuals - will be determined by lot.
2. Public Forum will be open for up to 30 minutes (3 minutes per speaker, 10 minutes per topic, no more than 3 speakers per topic). Speakers are encouraged to avoid repeating comments that other speakers have made.
3. Those who wish to address the School Board must submit a written request to speak before 3:00 pm on the day of the School Board meeting. Requests must be submitted to the following email address: publiccomment@isd624.org, or by phone at 651-407-7563.
4. The School Board Chair will call speakers to the microphone and will recognize one speaker at a time. Speakers must be in person to be recognized. Only those individuals who have been recognized by the School Board Chair will be allowed to speak during the public comment period.
5. School District policy and data privacy laws preclude the School Board from publicly discussing personnel and student matters or data, including information, which, if discussed in a public meeting could violate law or policy.
6. Members of the public may not engage in conduct that materially and substantially disrupts any part of a School Board meeting, or that otherwise impedes the School Board's ability to conduct its business in an orderly and efficient fashion.
7. If a speaker violates any of the established procedures or engages in any prohibited conduct, the Board Chair will rule the speaker out of order.
8. An appropriate school district official may be assigned to contact the speaker with answers to their questions or with follow-up information.
9. A handout on the purpose of the Public Forum and the process is available at each regular School Board meeting.
10. Citizens may be asked to address the School Board on a particular subject during the discussion of that item.

D. DISCUSSION ITEMS

E. OPERATIONAL ITEMS

Agenda Item E-1
September 13 ,2021
School Board Meeting

AGENDA ITEM:	**Action on Proposed Substitute Teacher Rate Change**
MEETING DATE:	**September 13, 2021**
SUGGESTED DISPOSITION:	**Operational Item**
CONTACT PERSON:	**Matt Mons, Director of Human Resources and General Counsel**

BACKGROUND:

Districts across the State of Minnesota are experiencing a shortage of reserve teachers. White Bear Lake Area Lake Schools has not increased the daily rate of pay for reserve teachers since February 1, 2014. We propose an increase in the daily rate of pay for reserve teachers in addition to the incentive, from $130 per day from $130 to $140 per day to be effective September 1, 2021.

In addition, regional survey data indicates that many districts compensate retired teachers at a higher rate of pay. Our recommendation is to increase the daily rate of pay for our retired teachers from $140 to $150 per day to be effective September 1, 2021.

RECOMMENDATION:

The School Board approves the following revisions to the reserve teacher pay accordingly:

- $140 for full day; $70 for half day, and $32 per hour;
- $150 for full day for retired White Bear Lake Teachers and $75 for half day for retired White Bear Lake Teachers;
- $100 incentive after 10 completed assignments; and
- There will be no change in practice of paying substitute teachers for working during prep. If they are needed to cover another class, they may be called to do so with no increase to the daily rate.
