

Help WHS PTSA support our school community!

The Woodinville High School PTSA is excited to welcome all students and their families back to school. We invite everyone to join PTSA. PTSA provides an opportunity for members to learn about what is happening at WHS and to support the school community through a financial donation.

An example of some of the items supported by PTSA funds in previous years:

- Masks for 2021 seniors to wear at graduation
- Emergency preparation supplies for all students and staff
- Mental health professional for students
- College scholarships
- Stop-the-Bleed kits for classrooms
- Classroom supplies
- Staff appreciation events
- Hospitality for school-wide events

We invite you to join and donate to WHS PTSA at:
