

Comments & Suggestions from the American Rescue Plan funds survey:

Prevention & Mitigation Strategies

- Improve outdoor spaces to increase outdoor learning
- Ventilation improvements and upgrades to increase air flow across all buildings
- Additional staffing to reduce class sizes
- Spaces in school to safely quarantine sick children waiting for parent pick-up
- Continued access to COVID testing
- Increase the size of the substitute teacher pool to minimize disruption if teachers have to be out of the classroom

Addressing Unfinished Learning

- Continue helping families afford access to broadband internet
- Better virtual learning technologies to support students outside school
- Opportunities for remediation outside the school day; tutoring
- Expanded before and after school opportunities for students
- More SPED/EL support for students who could not receive adequate services
- More buses and busing to provide more equitable opportunities

Addressing Students' Academic, Social & Emotional, and Mental Health Needs

- Increased staffing/support for student and staff mental health
- Additional funds for extracurriculars and fine/performing arts
- Staff training on student mental health/wellbeing
- Providing student materials to families in need
- Continue no cost meal service for students
- Student access to therapy/therapists
- Opportunities to improve students' physical health
- Expanded family support for families in crisis
