OVERVIEW

St. David's School is an independent, coeducational, college preparatory day school in the Episcopal tradition for students in grades PK-12. Fully accredited and with a low student/teacher ratio, the school seeks to prepare young men and women for college and life by challenging them to excel in the vital areas of faith, virtue, and knowledge. Located on 15 wooded acres in suburban Raleigh, the capital city of North Carolina and one of the three cities that comprise the Research Triangle, the school draws students from Raleigh, Durham, and surrounding communities. The area is home to approximately 1.8 million people, and contains Duke University, the University of North Carolina at Chapel Hill, North Carolina State University, and six small colleges.

LEARNING DURING COVID-19: St. David's School moved to remote learning in mid-March of 2020, continuing with the regular class schedule each day. All classes were held remotely but live, and consistent numerical grading, homework, and assessments continued for the remainder of the school year, with students completing all curriculum. For the 2020-21 school year, St. David's offered all classes both in person and via live video, with consistent numerical grading, homework, and assessments. We will continue to provide live video for COVID-related absences during the 2021-22 school year.
