

DUAL CREDIT

JOLIET WEST HIGH SCHOOL: PARENT UNIVERSITY

WED. NOVEMBER 20, 2019

WELCOME TO DUAL CREDIT

- As a Dual Credit student, you will have the opportunity to experience life as a college student while still in high school. However, this also means you now have the responsibilities that are part of college life.
- This presentation is designed to help familiarize you with the Dual Credit program at JTHS, your responsibilities as a student, and the resources available to help ensure your academic success.

WHAT IS DUAL CREDIT?

- The Dual Credit program is a partnership between JJC and area high schools and career centers. Junior and senior high school students earn both high school and college credit upon successful completion of Dual Credit courses.
- Note: Sophomores are now able to earn dual credit in Math 142.

BENEFITS OF DUAL CREDIT

- Earn College Credit Prior to High School Graduation
- Reduces overall college costs
- Students are considered JJC students and therefore granted access to JJC resources and activities on campus.
- Students can take dual credit courses as part of the regular school day.
- Dual credit courses help prepare students for the transition to college by engaging them in college-level work.

Note: There is a \$50 cost per dual credit course which may be paid online through JJC's Dual Credit website.

DUAL CREDIT OPTIONS FOR 2020-2021

Applied Life

- ***KIN 207 First Aid***
- ***KIN 200 Personal Trainer***

ENGLISH DUAL CREDIT

- Students who do not qualify with a placement score through ACCUPLACER or SAT/ACT may take the SUCCESS NAVIGATOR ASSESSMENT (SN). This is a non-cognitive college readiness exam. If students score high enough on the SN a lower ACCUPLACER threshold will be accepted.
- There will be a maximum of two attempts on ACCUPLACER. When student exhausts ACCUPLACER attempts they will be permitted to take the SUCCESS NAVIGATOR.
- There will be a fee for each attempt on ACCUPLACER (\$10). There is no fee for SN.

ENGLISH: DUAL CREDIT

	ACCUPLACER	ACT	COMPASS	HiSET	SAT (2015)	SAT (2016)
READING	80 or SN “Green” & 70	20	81 or SN “Green” & 75	15	450 (Critical Reading)	500 (Eval- based Reading & Writing)
WRITING	7 or SN “Green” & 6	20	75	15	450 (Writing)	500 (Eval- based Reading & Writing)

MATH: DUAL-CREDIT

JJC Math Placement Test Scores for Dual-Credit Math Courses 2020-2021

	ALEKS	SAT	ACT
AP Stats Math 128	40-100	530 or higher	22 or higher
Honors Pre-Calc. Math 142	54-100	590 or higher	23 or higher
AP Calculus AB Math 170	76-100	N/A	N/A

Note:

- ✓ JJC dual credit General Education course fee is \$50 per course. Students may pay online through JJC's dual credit website: <https://www.jjc.edu/getting-started/admissions/dual-credit>
- ✓ **All** students enrolled in dual credit math courses are required to take the ALEKS placement test. Students will have multiple opportunities to improve their ALEKS score. (This must be done prior to the start of the school year)
- ✓ Must have successful completion of Geometry ("C" or better) for both semesters.

ENGLISH & MATH: DUAL CREDIT REGISTRATION

Students registering for Dual Credit **must register at JJC before** they are enrolled in the course at JTHS. Their JJC ID number must be included on JTHS forms.

Students **do not** need to have a qualifying score (SAT, ACT, ALEKS, Accuplacer) before enrolling in Dual Credit, however, placement scores must be met prior to the first day of class.

CTE SPECIAL PROGRAMS

- Applications **DUE: Feb 1**
- See your counselor for more information.
