Careers E-Bulletin

Issue 1 – 10 September 2021

Welcome to our first King's Careers E-Bulletin of the year. I hope you all had a wonderful summer break.

Y10 – Y13 Interested in Business or Accounting? 13 September 4.30pm-5.30pm

Are you interested in business or accounting, looking for some great work experience or an apprenticeship and want to work with one of the largest accounting & professional services firms? If yes, join this 'Evening with Grant Thornton'. Hear from their senior management team about what it's like working in the professional services industry. Also find out more about their October Half Term and Summer Work Experience placements and how you can secure your place.

Grant Thornton operates in over 130 countries employing over 56,000 personnel for a combined global revenue of US\$5.76 billion. Apply here - <https://www.surveymonkey.co.uk/r/Grant-Thornton-Event>

Y10 – Y13 Volunteering Fair? 14 September 6pm-7.30pm

Volunteering is a great way to stand out from the crowd, build and develop your skills and make a valuable contribution to your community. Join this Volunteering Fair on the Learn Live platform on Tuesday to find out more about volunteering opportunities. You will also have the chance to ask questions through the Live Chat facility. Please register in advance - <https://learnliveuk.com/whats-next-volunteering/>

Y10 – Y13 Careers in Technology Evening - 15 September 5pm-7pm

No matter what career you decide to go into, you will probably be involved with technology, so this event is a chance to start learning about this fascinating, ever-evolving industry and ultimately help you decide whether it's a path you'd like to pursue. Some of the most well-known and fastest-growing tech companies in the world, in IBM, VMware, World Wide Technology, Vodafone and Experian will be taking part, including talks on the power of 5G and connectivity with Vodafone, cloud storage with IBM and big data with Experian. Certificates will be awarded to those who attend the event.

Register here - <https://www.surveymonkey.co.uk/r/Technology-15th-September>

Y10 – Y13 Subject Discovery – 11-14 October

Unifrog are running a series of webinars to demystify a range of university subjects. The 45-minute sessions on **Architecture, Engineering, History, Business and Economics, Criminology, Law, Psychology, Medicine** will feature experts from leading UK universities dispelling common myths. Sign up on your Unifrog homepage.
