Los Alamitos Unified School District
Board Priority Goals & District Core Values
2021- 2022

GOAL 1: **Passionately pursue academic excellence from all students by providing unparalleled preparation for College and Career Success.**

- Provide exemplary instruction through access to highly qualified staff and signature instructional practices
- Provide targeted intervention based upon multiple assessment tools to support academic and social emotional success
- Ensure every student:
    - Meets or exceeds grade-level/content standards
    - Completes CSU/UC "a-g" college entrance requirements
    - Completes an Advanced Placement, Career Technical Education or Dual Enrollment course
    - Develops foundational skills of technology and STEAM

GOAL 2: **Cultivate a thriving culture that ensures a caring, inclusive, equitable, safe and student-centered environment.**

- Provide mental health and wellness services for students and staff
- Ensure every student is connected to school through academics, athletics, activities, and the arts
- Continue to build a positive school community based upon appreciation of diversity, equity, and inclusion

GOAL 3: Foster collaborative relationships and partnerships with students, families, staff and the community.

GOAL 4: Provide high quality facilities to meet the educational and instructional needs of students and staff.

GOAL 5: Manage and allocate financial resources to maximize students' educational experiences.

CORE VALUES

Care
We foster a culture of kindness where everyone is treated with dignity
and respect and individuals seek to understand each point of view.

Responsibility
We hold ourselves responsible for consistently maintaining a clear focus
on our goals and serving the needs of our students and families.

Equity
We meet the needs of all students through systems, structures, and opportunities that
promote success and value similarities and differences of all individuals.

Commitment
We are committed to student success where students, parents, staff, and the community are
supported through collaboration, reflection, and a focus on continuous improvement.
