

September 14, 2021

Dear Preschool Families,

The Fairfield Public Schools Preschool Program will be following a shortened-day schedule for scheduled early dismissal days, such as parent teacher conference and staff professional development days. This will allow for equity between our A.M. and P.M. sessions. Please see [school calendar](#) for the entire listing of our early dismissal days.

A.M. classes will attend the regularly scheduled time (9:10-11:45) and P.M. classes will **not** meet on:

- September 28
- October 12
- November 24
- December 23
- January 14
- March 8
- March 24

P.M. classes will attend the regularly scheduled time (12:45-3:15) and A.M. Classes will **not** meet on:

- October 7
- October 13
- February 17
- March 16
- March 17

The schedule for the last two days of school (currently June 13th and 14th) will be determined after the Board of Education determines end of year activities at a later time during the school year.

- Students who attend double sessions or extended day programs will attend from 9:10-11:45 on early dismissal days.

Students who attend specialized services (e.g.: speech and language therapy, social skills group, OT, or PT) that follow a different schedule than the regularly scheduled AM/PM sessions will be notified by your child's case manager regarding services on shortened-schedule days.

Please note that this new shortened-day schedule only applies to the *scheduled* early dismissal days listed above that are indicated on Fairfield Public School's [Student Calendar](#). **If schools are delayed due to weather conditions, the morning session will be cancelled. If schools are dismissed early due to weather conditions, the afternoon session will be cancelled.**

Sincerely,

James Zavodjancik, Ed.D.
Executive Director of Instruction, Curriculum, and Assessment
