Minnesota Language Survey

Minnesota is home to speakers of more than 100 different languages. The ability to speak and understand multiple languages is valued. The information you provide will be used by the school district to see if your student is multilingual. In Minnesota, students who are multilingual may qualify for a Multilingual Seal upon further assessment. Additionally, the information you provide will determine if your student should take an English proficiency test. Based upon the results of the test, your student may be entitled to English language development instruction. Access to instruction is required by federal and state law. As a parent or guardian, you have the right to decline English Learner instruction at any time. Every enrolling student must be provided with the Minnesota Language Survey during enrollment. Information requested on this form is important to us to be able to serve your student. Your assistance in completing the Minnesota Language Survey is greatly appreciated.

Are Your Kids Ready?

What Minnesota's Immunization Law Requires

Immunization Requirements

Use this chart as a guide to determine which vaccines are required to enroll in child care, early childhood programs, and school (online, home school, public, or private).

Find the child's age/grade level and look to see if your child had the number of shots shown by the checkmarks under each vaccine. The table on the back shows the ages when doses are due.

Immunizations recommended but not required:

COVID-19

For all children in an eligible age group

Influenza

Annually for all children age 6 months and older

Rotavirus For infants Human papillomavirus At age 11-12 years

- 1 Not required after 24 months.
- 2 If the child has already had chickenpox disease, varicella shots are not required. If the disease occurred after 2010, the child's doctor must sign a form confirming disease.
- (3) First graders who are 6 years old and younger must follow the polio and DTaP/DT schedules for kindergarten.
- 4 Fifth shot of DTaP not needed if fourth shot was after age 4. Final dose of DTaP on or after age 4.
- (5) Fourth shot of polio not needed if third shot was after age 4. Final dose of polio on or after age 4.
- 6 One dose must have been pertussis-containing (i.e., DTaP or Tdap) and one dose must have been given after the fourth birthday. If the first dose in the series was given before age 12 months, then four doses are needed.
- 7 An alternate two-shot schedule of hepatitis B may also be used for kids age 11 through 15 years.
- 8 At least one dose must have been given after the fourth birthday. If the third dose was given before the fourth birthday, a fourth dose is needed.
- 9 One dose of meningococcal ACWY is required beginning at 7th grade. The meningococcal ACWY booster dose is recommended at 16 years and required for 12th grade students.

Exemptions

To enroll in child care, early childhood programs, and school in Minnesota, children must show they've had these immunizations or file a legal exemption.

Parents may file a medical exemption signed by a health care provider or a non-medical exemption signed by a parent/guardian and notarized.

Instructions: Complete section 1 to d section 2 to verify history of varicella immunization information.			•

MyStop App: District 191 Transportation uses a service called MyStop, a system that uses GPS to track all Burnsville-Eagan-Savage School District 191 buses and shares that information through a website.

The service provides parents and students with a better idea of where a bus is along its route and about what time it will arrive at their stop. Parents and students can log in to the website by downloading the MyStop app (android or iOS) to a smartphone or tablet. They can view a map of their specific bus route, an approximate location of the bus, and an estimated arrival time at their bus stop. https://www.isd191.org/discover/departments/transportation/mystop

The student enters this PIN into a keypad at the cashier station in the cafeteria to pay for meals and a la carte foods and beverages. Students keep the same PIN from year to year while enrolled in the district. Your child's school will inform them of their PIN number. Student PIN numbers can also be found in your ParentVue account under Other Information

Pay Online: Depositing money into accounts is best accomplished using <u>PayPAMS</u>. It takes between 24 and 72 hours to get funds into the student account at the school. There is no fee to parents/guardians for using the online payment system. https://paypams.com/
