Dear Parents/Guardians:

Pursuant to N.J.S.A. 18A:7C-6.6, all school districts are required to “annually notify parents or guardians by October 1 of any statewide student assessment or commercially developed standardized assessment that will be administered over the course of the school year.” This information will include:

- the subject area of the assessment;
- the grade levels covered by the assessment;
- the date or range of potential dates for administration of the assessment;
- the time allotted for the student to take and complete the assessment;
- any accommodations or accessibility options available to students;
- information on how and when the student and his/her parent or guardian can access both sample questions and answers from the assessment, as well as the student’s results; and
- whether the assessment is required by the federal government, state government, or local district.

Attached to the news item on the website, please find the [Pequannock Township School District assessment calendar for the 2021-2022 school year](#), which applies the state’s template.

If you have any questions, please contact your child’s principal.

Sincerely,

Michael Portas
Superintendent of Schools
