

Joining a Big Blue Button (BBB) Meeting

Use the link given to you by the teacher to access the virtual meetings. **You do not need to login to join BBB meetings.**

The screenshot shows the BBB meeting join interface. At the top right, there are 'Sign in' and 'Sign up' buttons. Below them, the text reads 'You have been invited to join Home Room'. Underneath, there is a profile for 'Clint Hamada [STAFF] (Owner)'. A name input field contains 'James Potter (G7)' and is highlighted with a red box and the instruction '1. Enter your name'. To the right of the input field is a blue 'Join' button, highlighted with a red box and the instruction '2. Click Join'.

Once you have been admitted into the room, you will be asked how you would like to join the audio. We recommend you choose to enable the microphone at the start. If you choose "Listen only" you can also enable your microphone later.

The screenshot shows a dialog box titled 'How would you like to join the audio?'. It contains two options: 'Microphone' with a microphone icon and 'Listen only' with a headset icon. A close button (X) is in the top right corner.

If you choose Microphone, you may be asked to allow your browser to access your microphone:

It will also ask you to complete an “Echo Test.” Speak a few words and ensure there is no echo, then click “Yes”:

During the meeting, the host may allow you to mute/unmute your microphone or to turn your webcam on/off. These options are located at the bottom of the screen:
