SELF-DEFENSE

For Children and Teens, Ages 5-15

We are pleased to offer this program for young people designed FOR SELF-DEFENSE ONLY!

The Program Promotes:

- *Self-Confidence
- *Competitive Spirit
- *Physical fitness
- *Self-Discipline

Students are instructed in:

- *Safety Awareness
- *Defense against attack
- *Getting released from a kidnapper
- *Street Smarts

SELF-DEFENSE, rather than aggressiveness, is PROMOTED!

Coaches are certified instructors. Emphasis is placed on the learning of verbal and physical skills for self-defense. We complete each class with safety awareness information regarding the lures strangers use on unsuspecting, unaware children and teens. Students learn in a fun, active environment. Students will have the opportunity to progress to a new belt level each semester. (A belt-advancement fee, not included in the class fees, would be due.) Students who come to all classes receive a perfect attendance award!

You may pay in advance or class-by-class. Registration is \$8.00. Classes are \$10.00 per class. Classes are held on MONDAYS in 40 minute sessions between 5:30-6:10PM. If interested in this program, do not return the form to your school, but complete and bring this entire form, plus \$18.00 CASH (registration fee + first class fee) to:
