

# Math Instructors Needed

Mathnasium, a nationwide group of Math Learning Centers, is expanding our teams at all locations! We are looking for outstanding Shawnee Mission high school Sophomores or Juniors enrolled in AP or Honors level math to tutor students in grades 1-12.

## 3 Locations available:

**Mathnasium of Leawood (95th and Mission Rd)**  
**Mathnasium of North Blue Valley (119th and Metcalf)**  
**Mathnasium of South Blue Valley (159th and Antioch)**

## Benefits:

- Hone math skills up through pre-calculus
- Hours are flexible (afterschool hours and Sunday afternoons)
- Paid training in Mathnasium method
- Enjoyable – most instructors say this is best part-time job they have had
- Helping others in need (many students are remedial)
- Resume building
- We are open year-round
- Career path to future job opportunities
- No lesson planning or outside grading

## Job Requirements:

- Strong math proficiency through pre-calculus
- High motivation, commitment, and enthusiasm
- Desire to work through the 2021-2022 school year
