One Dream, All In! The Campaign for the Future of DePaul College Prep

Great cities need strong community anchors.

Anchors like DePaul College Prep — we are a Vincentian Catholic community that provides a rigorous college prep education. Guided by our core values of Faith, Respect, Excellence, Service and Health, DePaul Prep educates young adults of Chicago to think independently, pursue intellectual excellence, practice compassion, and value all individuals as children of God.

To ensure that our Mission flourishes, we have undertaken **One Dream, All In: The Campaign for the Future of DePaul College Prep**.

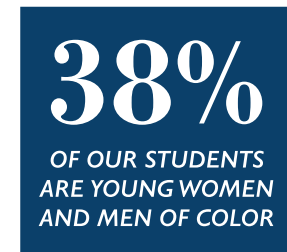

We invite you to join us.

DePaul Prep’s faculty and students are a welcoming community of learners, actively engaged in our classrooms, on the athletic fields, and in the City of Chicago.

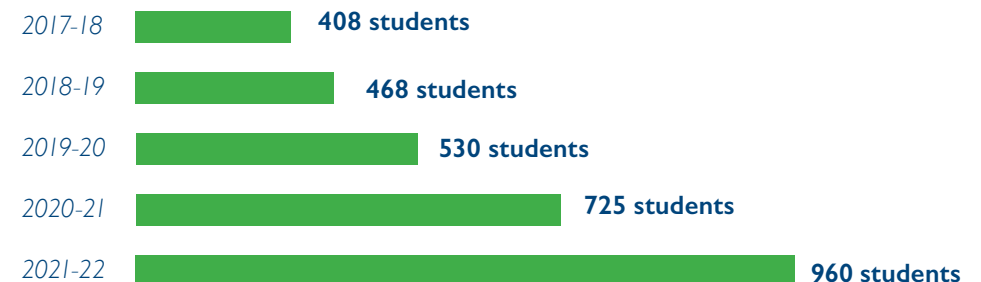

DePaul Prep’s greatest differentiating asset is our **academic partnership with DePaul University** that helps shape curriculum, enhance professional development, and expand opportunities for our students to experience the academic resources of a university while still in high school.

.....
**Expand the impact of
DePaul College Prep.**

The students of DePaul College Prep represent the religious, racial, social and economic diversity of Chicago. DePaul Prep graduates attend Big Ten, Ivy League, Catholic, private, and public colleges and universities.

DePaul Prep has experienced significant increases in enrollment and we project **continued growth** over the next five years:

Joe Haugh (Board Chair), Dr. Megan Stanton-Anderson (Principal), Honorable Lori E. Lightfoot, Mayor of the City of Chicago, Mary A. Dempsey (President), His Eminence Cardinal Blase J. Cupich, Archbishop of Chicago

“The DePaul Prep community means a lot to me. I feel like all the classes that I’m taking are going to be really beneficial for me in the future, possibly in the next ten years . . . I feel like everyone that I’m meeting, everyone that I’m learning from, the curriculum, is really going to help me grow and become a better person.”
