Grading Scale and GPA

The grade point average is computed by dividing the total grade points each semester by the number of classes taken which carry grade points. Courses not taken at Cathedral High School are not included in this computation. The honors and academic courses, which are significantly more demanding, are weighted (see right).

Cathedral High School does NOT rank its students.

Grade Scale	Honors Points	Academic Points	College Prep Points
A (93-100)	4.67	4.25	4.0
B+ (91-92)	4.0	3.58	3.33
B (85-90)	3.67	3.25	3.0
C+ (83-84)	3.0	2.58	2.33
C (77-83)	2.67	2.25	2.0
D+ (75-76)	2.0	1.58	1.33
D (70-74)	1.67	1.25	1.0
